Manufacturer: KINGSMITH

Referention number: DNXXGGKIPERMMGI

Information:

The Kingsmith electric height-adjustable desk is an ergonomic home working solution that makes it easy to alternate between sitting and standing throughout the day. The smooth change of position takes less than 10 seconds and is operated with a single button. The spacious 1200 x 600 x 20 mm desktop provides comfortable space for monitors, a laptop and accessories, while the sturdy powder-coated steel construction ensures stability and scratch resistance. The desk supports better concentration, greater working comfort and a more active daily routine, and it can also be paired with a Kingsmith treadmill so you can work and walk at the same time.

Full product description

Kingsmith desk with height adjustment

With **Kingsmith's height-adjustable desks**, you can effortlessly achieve the perfect balance of sitting and standing throughout your workday. Using a sit/stand desk helps counteract the negative effects of sedentary work. This high-quality height-adjustable desk includes all the features you need to deliver the benefits you expect from a standing desk, such as improved concentration and increased calorie burn. Get one today and start reaping the benefits of standing more often and sitting less often.

Key features of the Kingsmith desk

- Robust construction
- Lifting system with electric height adjustment
- Cozy and ergonomic workspace
- Built to work at home
- Combine with Kingsmith treadmill to work out and walk at the same time

Quick and smooth adjustments

Kingsmith's high-quality standing desk makes it easy to make a quick, smooth and comfortable transition from sitting to standing in less than 10 seconds.

Spacious workspace

The desk, with a tabletop size of 1200*600*20mm, provides plenty of space for various monitor and laptop configurations, with additional space for current projects and office supplies.

Simple push-button control

Go from sitting to standing at the touch of a button. Reading, checking email or catching up on work from home has never been so convenient.

Solid and stable construction

Constructed of powder-coated steel tubing, the desk frame is scratch-resistant and provides stability even under the highest loads.
