Full product description

Discover a new quality of workout with the Kingsmith Walkingpad G1 treadmill

Desire to incorporate regular physical activity into your busy daily schedule? With the **Kingsmith Walkingpad G1** Double-fold EU electric **treadmill**, achieving your fitness goals becomes easier than ever. This compact running equipment is ideal for those who value convenience and modern technology in their daily workouts.

Maximum speed up to 12 km/h

The Kingsmith Walkingpad G1 offers a **wide range of speeds from 0.5 to 12 km/h**, making it suitable for both beginners and advanced users. You can adjust the intensity of your workout to suit your individual needs and goals.

Unique double folding system

Thanks to its innovative double folding system, **the treadmill takes up little space when folded**, which is ideal for storage in small spaces. You can easily store it under your bed or in a closet when not in use.

Advanced technologies

The Kingsmith Walkingpad G1 uses modern technologies to make **workouts more efficient and comfortable**. The treadmill integrates modern features such as a dual-folding system and intuitive controls to provide the best user experience.

Elegant design

The Kingsmith Walkingpad G1 treadmill features **a sleek and modern design** that will fit perfectly into any interior. The stylish design makes the device an attractive piece of home furnishings.
