Product features

Power source	Batteries
Height	38.4 mm
Wireless range	10 m
Cartridge type	AA
Buttons type	Pressed buttons
Width	67.9 mm
Depth	105.4 mm
Buttons quantity	3
Packaging content	Wireless Mouse M280 Nano Receiver 1 AA battery (pre-installed) User documentation
Receiver depth	6.1 mm
Receiver height	1.8 g
Receiver height	18.7 mm
Receiver width	14.4 mm
Battery capacity	2000 mAh
Master (outer) case GTIN (EAN/UPC)	50992060525713
Package weight	142 g
Number of scroll wheels	1
Harmonized System (HS) code	84716070
Master (outer) case height	264 mm
Master (outer) case width	100 mm
Plug and Play	Yes
Package depth	127 mm
Package height	186 mm
Master (outer) case gross weight	1644 g

Package width	89 mm
Wireless receiver interface	USB Type-A
Receiver type	Nano receiver
Receiver included	Yes
Master (outer) case length	360 mm
Linux operating systems supported	Yes
Mac operating systems supported	macOS
Windows operating systems supported	Yes
Battery technology	Alkaline
Number of batteries supported	1
Rubber grips	Yes
Product colour	Blue
Device interface	Wireless RF
Scrolling directions	Vertical
Scroll type	Wheel
Other operating systems supported	ChromeOS
Scroll	Yes
Movement resolution	1000 DPI
Movement detection technology	Optical
Surface colour	Monochromatic
Recommended usage	PC/Laptop
Designation	Office
Baby unit batteries included	Yes
Product weight	91 g

Full product description

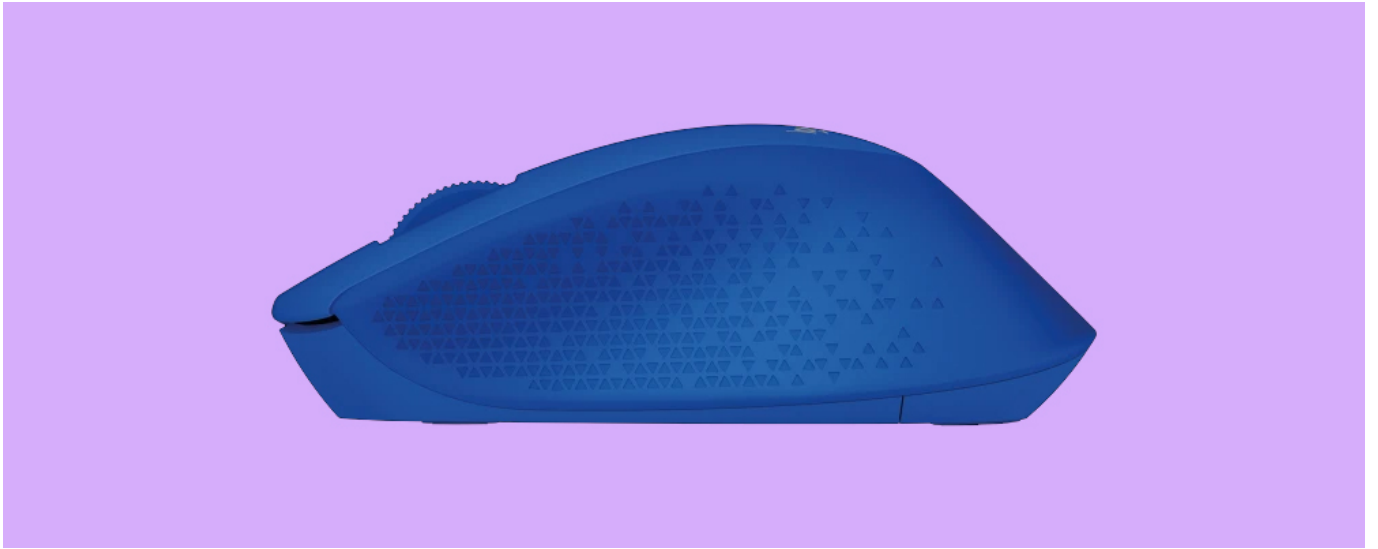

Ease of use

The **M280** guarantees the user maximum comfort, making work easier on the busiest days. **The soft rubber side pads** conform to the shape of your hand, and scrolling and tracking is as precise as possible. And with long battery life, wide compatibility and stable wireless connectivity, it's both durable and easy to use.

Comfort all day long

The **M280** embodies **Logitech**'s more than 25 years of experience and innovative approach to ergonomics. Its precisely asymmetrical design means you don't have to strain your right hand, and its soft, **textured rubber coating** makes it **more comfortable** to hold. You can work or study for long periods of time without feeling tired.

Precise operation, easy navigation

Track and scroll with filigree precision. The **M280** features a rubberized, easy-touch scroll wheel for easy line-by-line scrolling. With **Logitech** 's precision tracking technology, it provides superior cursor control on virtually any surface.

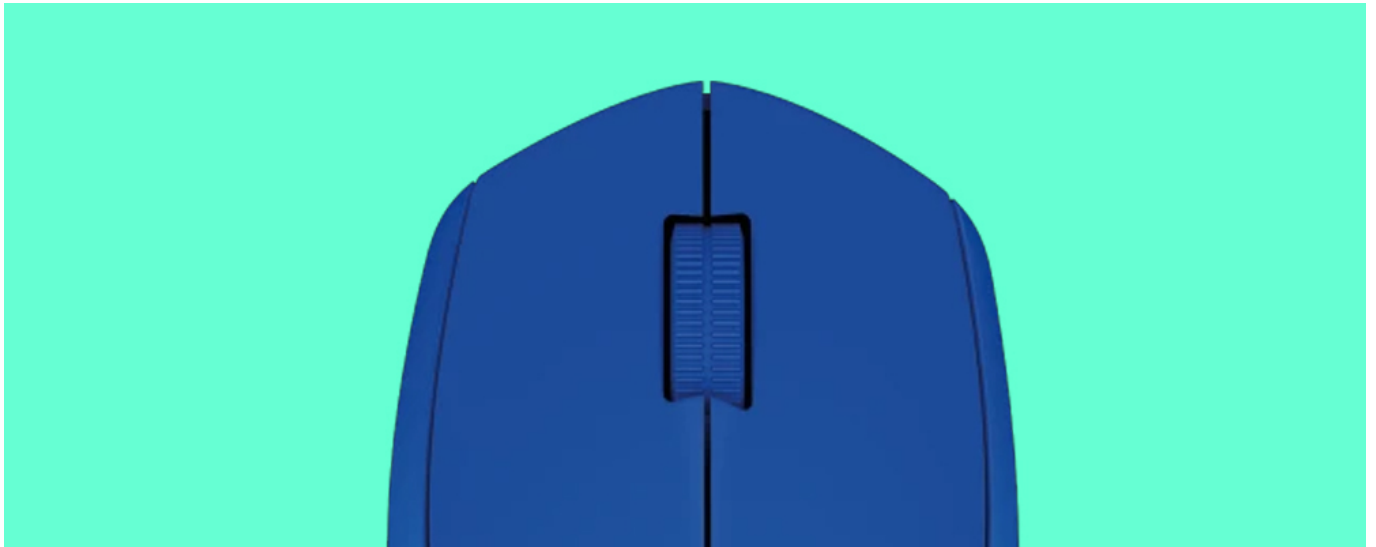

Simple plug-and-play connection

Connecting the **M280** is a matter of seconds. Just plug it into the USB port on your computer or laptop and you'll be up and running in no time. The receiver provides a stable and reliable wireless connection, without interference, at distances of **up to 10 meters** (wireless range depends on usage, environment and computer configuration).

Quality and reliability

Logitech is widely regarded as the world's leading manufacturer of keyboards and mice. All their products are of high quality, and this model is no exception. Durable and built to last, the **M280** can last **up to 18 months**. A power switch on the case and an auto-sleep function help keep it charged longer.

Compatibility with multiple devices

The **M280** can work seamlessly with most operating systems, including **Windows, macOS and Linux**. In addition, it can be used with a **Chromebook**, as certified by Works With Chromebook.
