Buttons type	Pressed buttons
Width	84.3 mm
Depth	124.9 mm
Buttons quantity	7
Packaging content	Wireless mouse USB receiver USB-C charging cable (USB-A to USB-C) User documentation 2-year manufacturer's guarantee
Receiver depth	6.6 mm
Receiver height	2 g
Receiver height	18.4 mm
Receiver width	14.4 mm
Battery capacity	500 mAh
Battery capacity	1.85 Wh
Package weight	333.6 g
Number of scroll wheels	2
Works on any surface	Yes
Harmonized System (HS) code	84716070
Master (outer) case height	190 mm
Master (outer) case width	150 mm
Package depth	140 mm
Package height	175 mm

Master (outer) case gross weight	1520 g
Package width	59 mm
Wireless receiver interface	USB Type-A
Receiver included	Yes
Programmable mouse buttons	Yes
Master (outer) case length	246 mm
USB Type-C charging port	Yes
Mobile operating systems supported	Android
Linux operating systems supported	Yes
Mac operating systems supported	Mac OS X 10.13 High Sierra
Windows operating systems supported	Windows 10
Battery technology	Lithium Polymer (LiPo)
Bluetooth Low Energy (BLE)	Yes
Rechargeable	Yes
Silent click	Yes
Product colour	Grey
Device interface	RF Wireless + Bluetooth
Scroll type	Wheel
Other operating systems supported	ChromeOS
Customizable movement resolution	Yes
Movement resolution	4000 DPI
Ergonomic design	Yes
Movement detection technology	Laser
Multi-device support	Yes
Surface colour	Monochromatic
Designation	Office
Product weight	141 g

Full product description

DESIGN MEETS PERFORMANCE

Logitech MX Master 3 stands for precision and limitless possibilities. The most advanced mouse in the Master Series, designed specifically for developers and programmers-you can do anything you set your mind to.

1000 LINES PER SECOND

Electromagnetic scrolling with the all-new **MagSpeed** wheel is precise enough to stop pixels. Fast enough to scroll 1000 lines per second. It's also nearly silent. The machine-finished steel gives the wheel excellent feel and enough mass to provide dynamic inertia that you feel but don't hear.

ERGONOMIC DESIGN FROM LOGITECH

Work comfortably with a perfectly ergonomic hand shape. Intuitively creative and productive with perfectly positioned forward/reverse buttons and the new center wheel.

FASTER WORKFLOW BY ADAPTING TO APPLICATION NEEDS

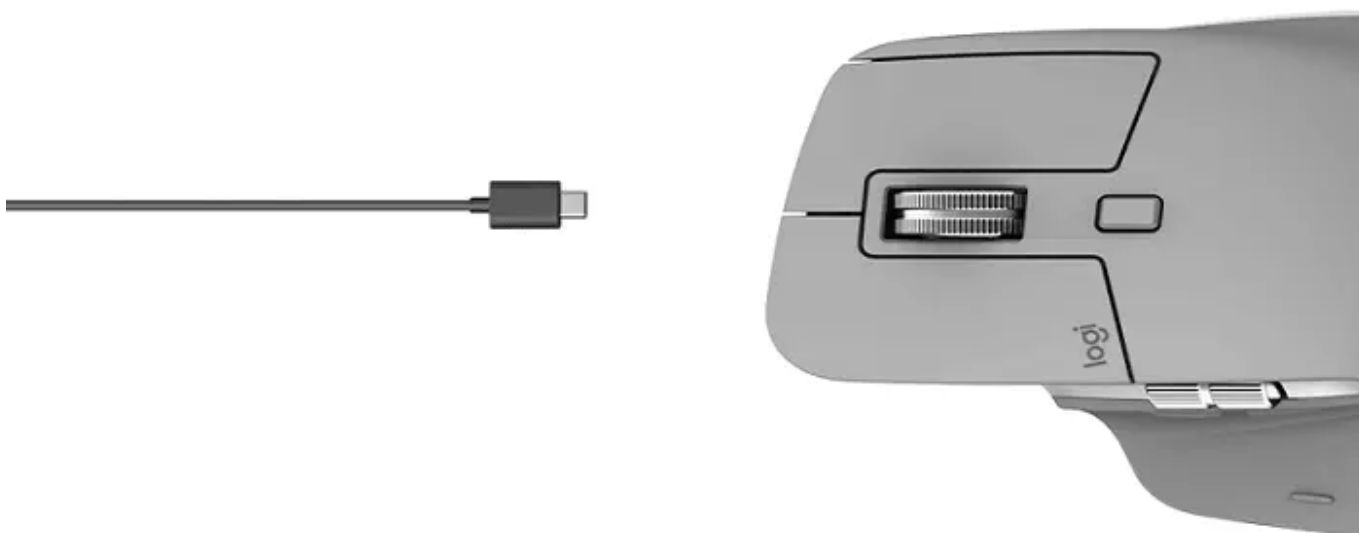

Customize the **MX Master 3** to suit your needs and configure every step of your workflow. MX Master 3 is fully customizable in almost every

application you use. Plus, work faster with pre-configured customizations for popular applications such as Adobe Photoshop, Adobe Premiere Pro, Final Cut Pro, Google Chrome, Safari, and Microsoft Word, Excel, PowerPoint, and Edge.

WORK ON VIRTUALLY ANY SURFACE

The **Logitech MX Master 3** is faster and 5x more precise than a regular mouse - so you hit the exact pixel every time. **Logitech Darkfield** lets you track your movements on virtually any surface - even glass - with 4000 DPI precision.

FAST CHARGING VIA USB-C

The **MX Master 3** can last up to 70 days on a full charge, with a one-minute quick charge providing three hours of use. Use the included USB-C charging cable to charge your device.
