Full product description

Mantar, reinforced cabinet M-70/58/30 WZM L

Mantar, M-70/58/30 WZM L reinforced cabinet designed for wall mounting in places exposed to vandalism and burglary. Made of 1.5 mm thick steel sheet, light grey colour. It is a mechanical shield for telecommunication equipment. In standard, 2 holes (top and bottom) for cable entry (ø38 plugged). PS 1 board and the cable stock organizer on the back panel. Body reinforced with a 2 mm thick sheet metal angle. Special door construction reinforced with 2 mm thick sheet metal angles. Additional equipment: mounting plate made of 1 mm thick galvanized sheet metal, 8 mm OSB mounting plate, fiber optic switch, 5U 19" fixed or retractable rack.

Features:

- Material: 1.5 mm thick steel sheet
- Colour: RAL7035 light grey, thick structure
- Powder coated
- Locking: safe lock (with IMP certificate, high security according to PN- ENV 1300:2002)
- Reservation of a separate key code for each customer, different codes on request (in case the key is lost, the code can be changed without changing the locks)
