Full product description

Mantar easy access cable supply cabinet with commutation field PSN-25/25/10 PK

Mantar Stockroom for easy access cable with commutation field PSN-25/25/10 PK is a 250x250x100 size cabinet. Designed for wall mounting, made of 1 mm thick sheet metal, light grey colour. The fiber optic cabinet is also designed to collect fiber supplies from an easy access cable on the top floor of multi-level buildings.

Features:

- Locking: 4-pin tumbler lock
- Standard features a cable gland with a membrane (ø19) on the top and 2 on the sides of the cabinet, and a blanking hole (ø29/38) at the bottom of the cabinet.
- In the rear part there are bridges for cable ties
- The cabinet is equipped with a weld tray cover, which also functions as a commutation field for 12 SC Duplex adapters.
- Possibility of cooperation with the vertical infrastructure of the building in the form of cable tray pipework
- Material: 1 mm thick sheet metal
- Colour: RAL7035 light grey, powder-coated

Accessories:

- Weld trays for 12 casings
- Duplex adapters SC/APC; SC/UPC
