Full product description

Mantar flush mounted cabinet TPR 30/30/10 IN

The mantar flush-mounted cabinet TPR 30/30/10 IN has a full door and is lockable. It is made of 1 mm thick steel sheet in light grey. It is easy to install. It is corrosion resistant and provides mechanical protection for telecommunication equipment, especially in places exposed to devastation and burglary.

Features

- Cabinet designed for wall mounting
- Internal panel has 10 holes for Keystone connectors, 6 holes for F connectors and 2 holes for SC Duplex fiber optic adapters
- Dedicated space for connection tray and backup cables (perforated sheet)
- Standard two holes $\varnothing 29/38$ each at the top, side and bottom of the wall
- 4-push cylinder lock
- Material - 1 mm thick plate
