MERCUSYS[®]

Manufacturer: MERCUSYS

Referention number: DNXXGKKRHRMMLP

Product features

Height	68.4 mm
LED indicators	Yes
Width	138.6 mm
Depth	100.3 mm
Security algorithms	WPA
Compliance certificates	RoHS
Power consumption (typical)	13 W
Humidity measurement range	10 - 90%
Data transfer rate	1800 Mb/s
Quick start guide	Yes
Networking standards	IEEE 802.11a
Ethernet LAN (RJ-45) ports	1
Operating temperature (T-T)	0 - 40 °C
Cabling technology	10/100/1000Base-T(X)
Package type	Box
Reset button	Yes
WPS push button	Yes
Wi-Fi band	Dual-band (2.4 GHz / 5 GHz)
Wi-Fi standards	802.11a
Wi-Fi	Yes
Antennas quantity	2
Product colour	White

Full product description

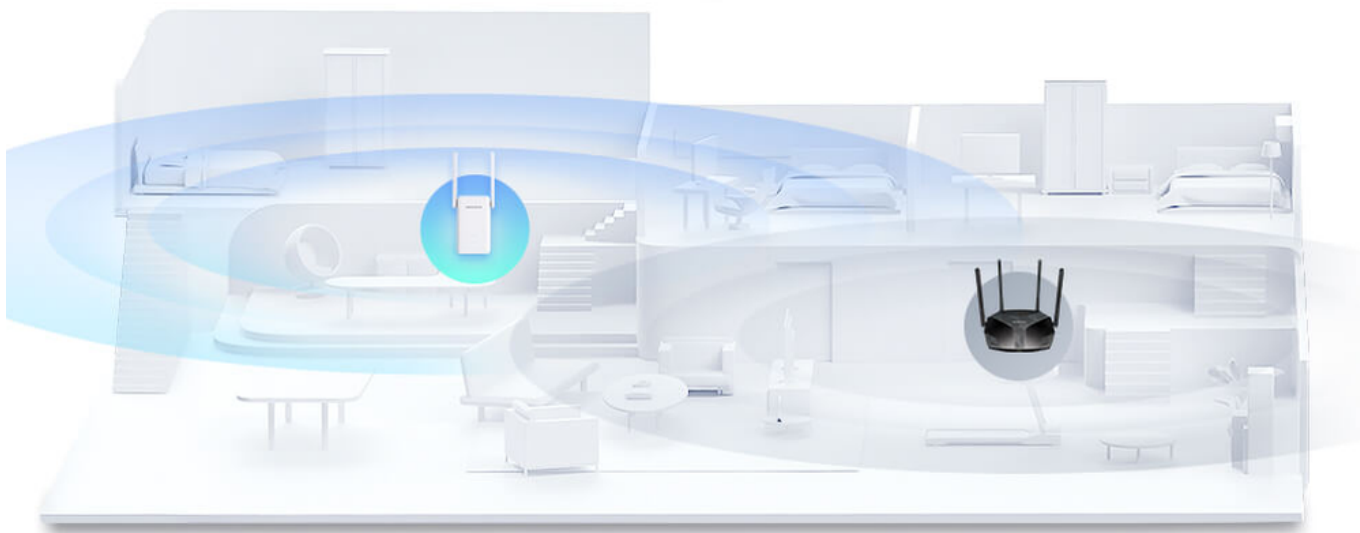

Mercusys ME70X

The **Mercusys ME70X** is a reliable, high-powered dual-band WiFi repeater with AC1800 speeds and 1000Mbps data transfer. The device also features two external antennas that guarantee long range and coverage, making it an ideal choice for larger homes or businesses that require signal boosting in different rooms or zones.

Wi-Fi where you need it

With the addition of a Wi-Fi signal booster equipped with two adjustable antennas, the network coverage problem can be solved and no area will suffer from a weakened Wi-Fi signal. The **Mercusys ME70X** offers speeds of up to 600 Mbps in the 2.4 GHz band and 1200 Mbps in the 5 GHz band; making it suitable for watching 4K multimedia or playing games online.

Advanced features

The device has **advanced features** such as adaptive route selection and high speed mode. **The first feature** helps determine the optimal channel and range for data transmission, allowing fast Wi-Fi access from any corner of the house. **The second** - allows you to use one frequency band for Wi-Fi sharing, while the other band is used to interact with the router, improving network performance.

Hotspot mode and application

The **ME70X** not only boosts Wi-Fi coverage, but can also become a dual-band hotspot with an Ethernet cable connected to it. With the **MERCUSYS app**, you can easily set up your network in minutes using your Android or iOS device, even when you're away from home - just follow the on-screen instructions.
