MERCUSYS[®]

Manufacturer: MERCUSYS

Referention number: DNKGFPQNDMMLO

Product features

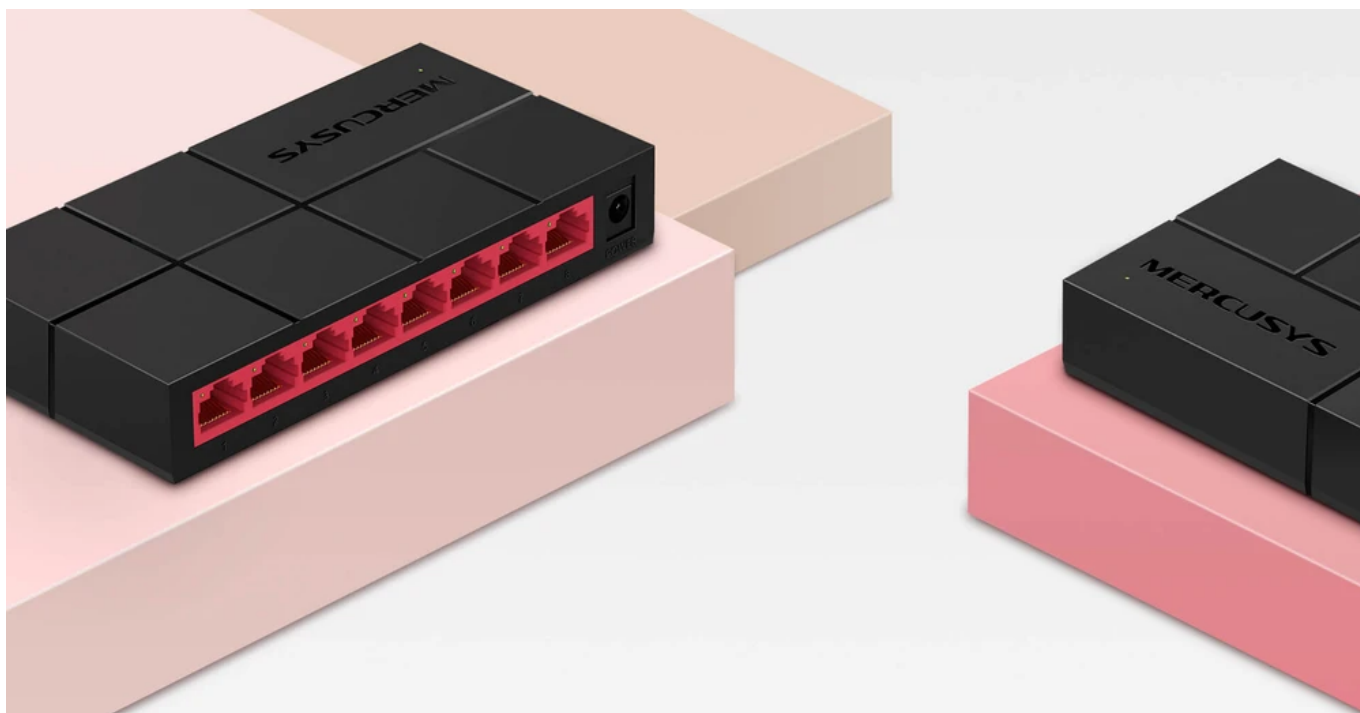

Power source	mains electricity
Height	25 mm
Input voltage	9 V
LED indicators	LAN
Width	144.8 mm
Depth	72.3 mm
Auto-negotiation	Yes
Input current	0.6 A
Rack mounting	No
Package weight	250 g
Harmonized System (HS) code	85176990
Networking standards	IEEE 802.3
Switch type	Unmanaged
10G support	No
Full duplex	Yes
Auto MDI/MDI-X	Yes
Package depth	93 mm
Package height	62 mm
Package width	149 mm
Half duplex	Yes
Jumbo frames	9000
Jumbo frames support	Yes
Power supply included	Yes

Power over Ethernet (PoE)	No
Gigabit Ethernet (copper) ports quantity	8
Store-and-forward	Yes
Product colour	Black
Power connector	DC-in jack
Basic switching RJ-45 Ethernet ports type	Gigabit Ethernet (10/100/1000)
Basic switching RJ-45 Ethernet ports quantity	8
Stackable	No

Full product description

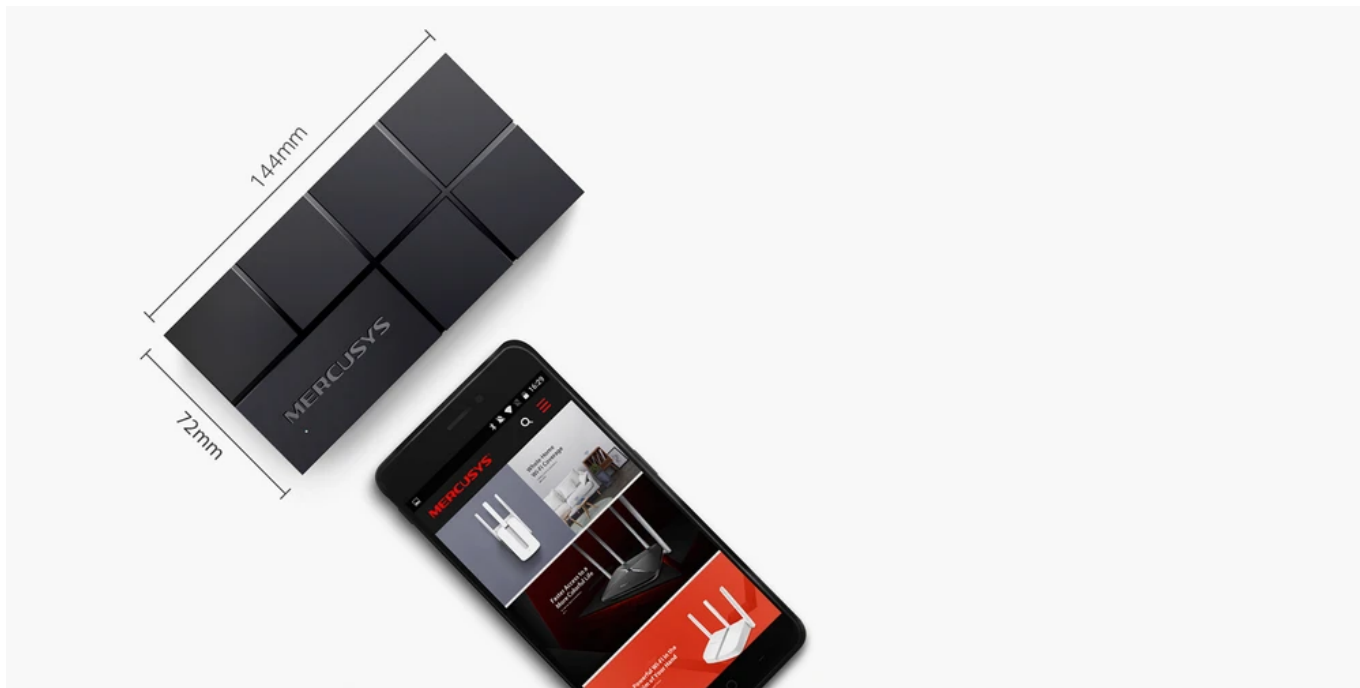

Mercusys MS108G

Looking for the right device for quick and easy network expansion? This five-port switch with Gigabit Ethernet ports will do the job. **It is up to 10 times faster than conventional 10/100Mbps interfaces.** The MS105G is fully compatible with Smart TVs, computers, printers, IP cameras, game consoles and more. With this wide range of applications, the **Mercusys MS108G** switch is ideal for households as well as small offices and businesses.

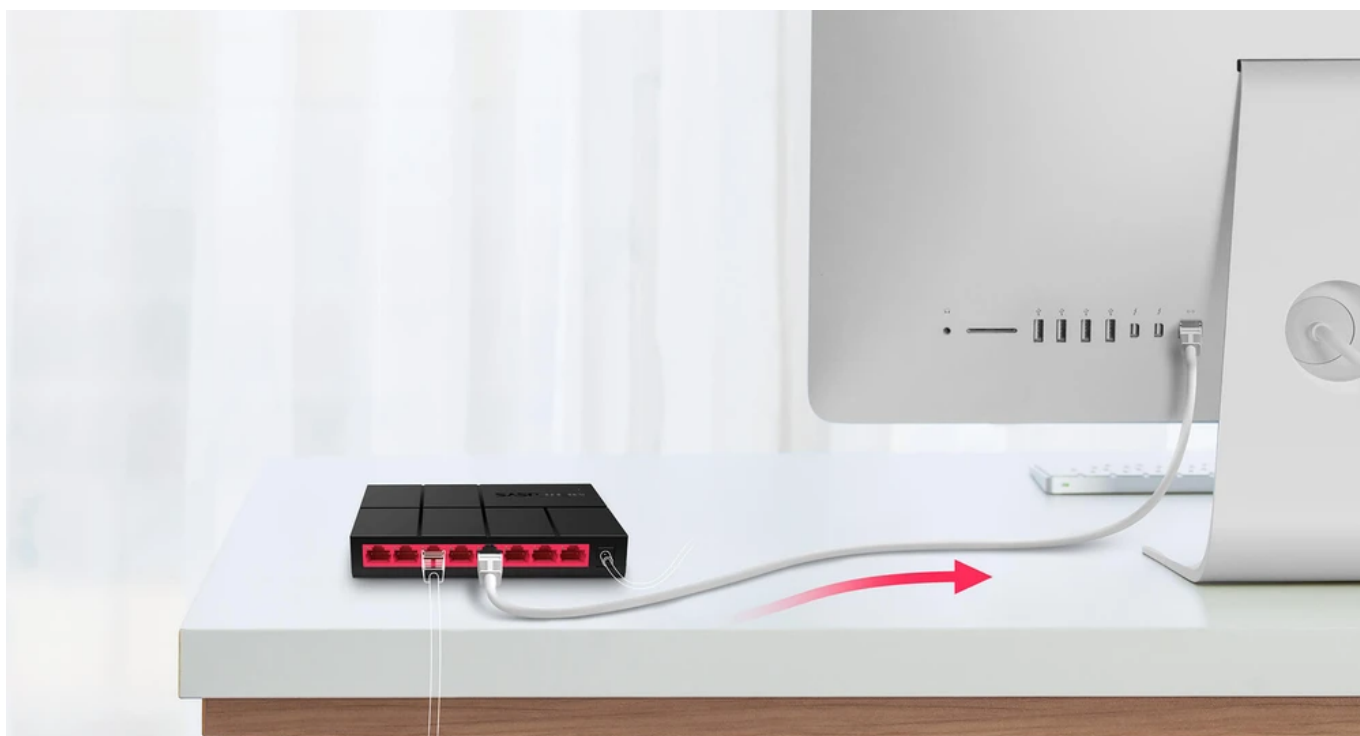

Elegant and compact design

Mercusys MS108G, thanks to its slim square housing with elegant red and black colors, will make the switch look modern. Its size is comparable to a modern smartphone.

Plug and Play installation

With **Plug-and-Play** support, the device does not require special configuration. All you really need to do is connect it to your TV or computer using an Ethernet cable to expand your wireless network in seconds.

Reliable performance

The MS108G switch with Half/Full Duplex technology and MAC address memorization **provides up to 10Gbps throughput**. In addition, each unit is thoroughly tested before being shipped from the manufacturer to the consumer, ensuring trouble-free operation.

Key features:

- Auto-MDI/MDIX auto-negotiation support
- Data rate in 10/100/1000Mbps.
- Jumbo Frame 9 KB
- Support for energy-efficient Green Ethernet function
