Price: **2.90 zł** gross / 2.36 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFNPPFRMMNJ

Product features

Fiber mode structure	Single-mode
Cable length	2 m
Sheath material	Nylon/Polyvinyl Chloride (PVC)
Connector polish type	UPC
Product colour	Yellow
Connector 2 gender	No
Connector 1 gender	Male
Fibre optic type	G.657.A1
Cable type	FTTH

Full product description

PIGTAIL SC/UPC SM 900UM G.657.A1 2M EASY STRIP

Extralink **pigtail** with **SC/UPC** connector is made on **G.657.A1 single-mode** fiber, which is dedicated for **FTTx** technology. This fiber is characterized by a **reduced bending radius** without an increase in attenuation. This is a very important feature in the construction of FTTx networks, due to the large number of changes in the direction of the optical line and small-sized cabinets and distribution boxes. Pigtail is mainly used for **termination of customer cables** in customer outlets and **the final distribution element**.
