Price: **3,415.51 zł** gross / 2,776.84 zł net

Manufacturer: MIKROTIK

Referention number: DNXGGKNMLRMMNM

### Product features

|                                          |                          |
|------------------------------------------|--------------------------|
| Regulatory Approvals                     | CE, EAC                  |
| Power source                             | AC/DC                    |
| Mean time between failures (MTBF)        | 200000 h                 |
| Compliance certificates                  | RoHS                     |
| Power consumption (max)                  | 45 W                     |
| Console port                             | RJ-45                    |
| Networking standards                     | IEEE 802.3bt             |
| 10G support                              | Yes                      |
| Flash memory                             | 32 MB                    |
| Operating temperature (T-T)              | -40 to 70 °C             |
| Reset button                             | Yes                      |
| Processor frequency                      | 650 MHz                  |
| International Protection (IP) code       | IP20                     |
| Operating system installed               | RouterOS                 |
| Power over Ethernet (PoE) ports quantity | 1                        |
| Power over Ethernet (PoE)                | Yes                      |
| Internal memory                          | 128 MB                   |
| QSFP28 ports quantity                    | 2                        |
| SFP28 ports quantity                     | 8                        |
| Power over Ethernet (PoE) voltage        | 57 V                     |
| Processor model                          | Qualcomm Atheros QCA9531 |
| Processor manufacturer                   | Qualcomm                 |

|                                               |                        |
|-----------------------------------------------|------------------------|
| Built-in processor                            | Yes                    |
| Product colour                                | White                  |
| Switch layer                                  | L3+                    |
| Basic switching RJ-45 Ethernet ports type     | Fast Ethernet (10/100) |
| Basic switching RJ-45 Ethernet ports quantity | 1                      |
