Referention number: DNXFMPOSJRMNMP

Product features

Regulatory Approvals	CE, RoHs
Connector material	Ceramic
Fiber mode structure	Single-mode
Cable length	1.5 m
Plug and Play	Yes
Operating temperature (T-T)	-40 - 85 °C
Cord diameter	0.9 mm
Return loss	60 decibel
Insertion loss	0.15 decibel
Sheath material	Polyvinyl chloride (PVC)
Connector polish type	UPC
Product colour	Multicolour
Connector 2 gender	No
Connector 1 gender	Male
Fibre optic type	G.652D
Cable type	FTTH

Full product description

Pigtail set SC/UPC SM G.652D - 1.5 meters long, 12 pieces

Pigtail Extralink with **SC/UPC** connector is made on a **single-mode G.652D** fiber, which is dedicated for **FTTx** technology. This fiber is characterized by **reduced bending radius**, without increasing attenuation. This is a very important feature during the construction of FTTx networks due to the large number of changes of optical line direction and because of the small size of cabinets and distribution boxes. Pigtail is used in **client cable terminations** in the customer's sockets and in **end switchgear element**.
