Price: **342.38 zł** gross / 278.36 zł net

Manufacturer: MIKROTIK

Referention number: DNXXGKHMERMLNH

### Product features

|                                   |                      |
|-----------------------------------|----------------------|
| Regulatory Approvals              | CE, FCC, IC, EAC     |
| Product type                      | Tabletop router      |
| Height                            | 37 mm                |
| Output voltage                    | 12 V                 |
| LED indicators                    | Yes                  |
| Width                             | 120 mm               |
| Depth                             | 101 mm               |
| Mean time between failures (MTBF) | 100000 h             |
| WAN connection type               | RJ-45                |
| Compliance certificates           | RoHS                 |
| Power consumption (typical)       | 12 W                 |
| Ethernet LAN interface type       | Gigabit Ethernet     |
| Networking standards              | IEEE 802.11a         |
| Ethernet LAN (RJ-45) ports        | 5                    |
| Antenna gain level (max)          | 4 gain               |
| Flash memory                      | 128 MB               |
| DC-in jack                        | Yes                  |
| Operating temperature (T-T)       | -40 - 50 °C          |
| AC adapter included               | Yes                  |
| Cabling technology                | 10/100/1000Base-T(X) |
| Reset button                      | Yes                  |
| Screws included                   | Yes                  |

|                                       |                             |
|---------------------------------------|-----------------------------|
| Processor frequency                   | 864 MHz                     |
| External power adapter                | Yes                         |
| Output current                        | 0.6 A                       |
| Operating system installed            | RouterOS                    |
| Power over Ethernet (PoE)             | Yes                         |
| Internal memory                       | 1000 MB                     |
| Wi-Fi band                            | Dual-band (2.4 GHz / 5 GHz) |
| Wi-Fi standards                       | 802.11a                     |
| Ethernet LAN                          | Yes                         |
| Top Wi-Fi standard                    | Wi-Fi 6 (802.11ax)          |
| Processor cores                       | 4                           |
| Power source type                     | DC                          |
| Built-in processor                    | Yes                         |
| Product colour                        | Black                       |
| WLAN data transfer rate (first band)  | 574 Mb/s                    |
| WLAN data transfer rate (second band) | 1200 Mb/s                   |
| Ethernet WAN                          | Yes                         |
| WLAN data transfer rate (max)         | 1200 Mb/s                   |
