Price: **416.47 zł** gross / 338.59 zł net

Manufacturer: MIKROTIK

Referention number: DN XF MN O PH R M N H L

Product features

Height	30 mm
Bandwidth	60 GHz
Width	185 mm
Depth	85 mm
Mounting kit	Yes
Maximum data transfer rate	1000 Mb/s
Power consumption (max)	5 W
Harmonized System (HS) code	85176990
Networking standards	IEEE 802.11ad
Ethernet LAN (RJ-45) ports	1
Flash memory	16 MB
DC-in jack	Yes
Operating temperature (T-T)	-40 - 70 °C
AC adapter included	Yes
Maximum outdoor range	200 m
Operating system installed	RouterOS
Power over Ethernet (PoE)	Yes
Internal memory	256 MB
Placement	Table
AC input voltage	11 V
Built-in processor	Yes
Antenna features	Integrated antenna

Product colour	White
Internal	No
5 GHz	No
2.4 GHz	No

Full product description

MicroTik Wireless Wire - 1 Gbps full duplex without cables!

Wireless Wire is a breakthrough solution that offers speed and fibre quality at a fraction of the price. This amazing **set replaces the Gigabit Ethernet cable with two small devices** that connect to each other via a 60 GHz wireless link. Simply point the attached devices at each other and turn on the power, it will give you a **1 Gbit full duplex** link, which will immediately **replace your cable** - that's why we call it Wireless Wire!

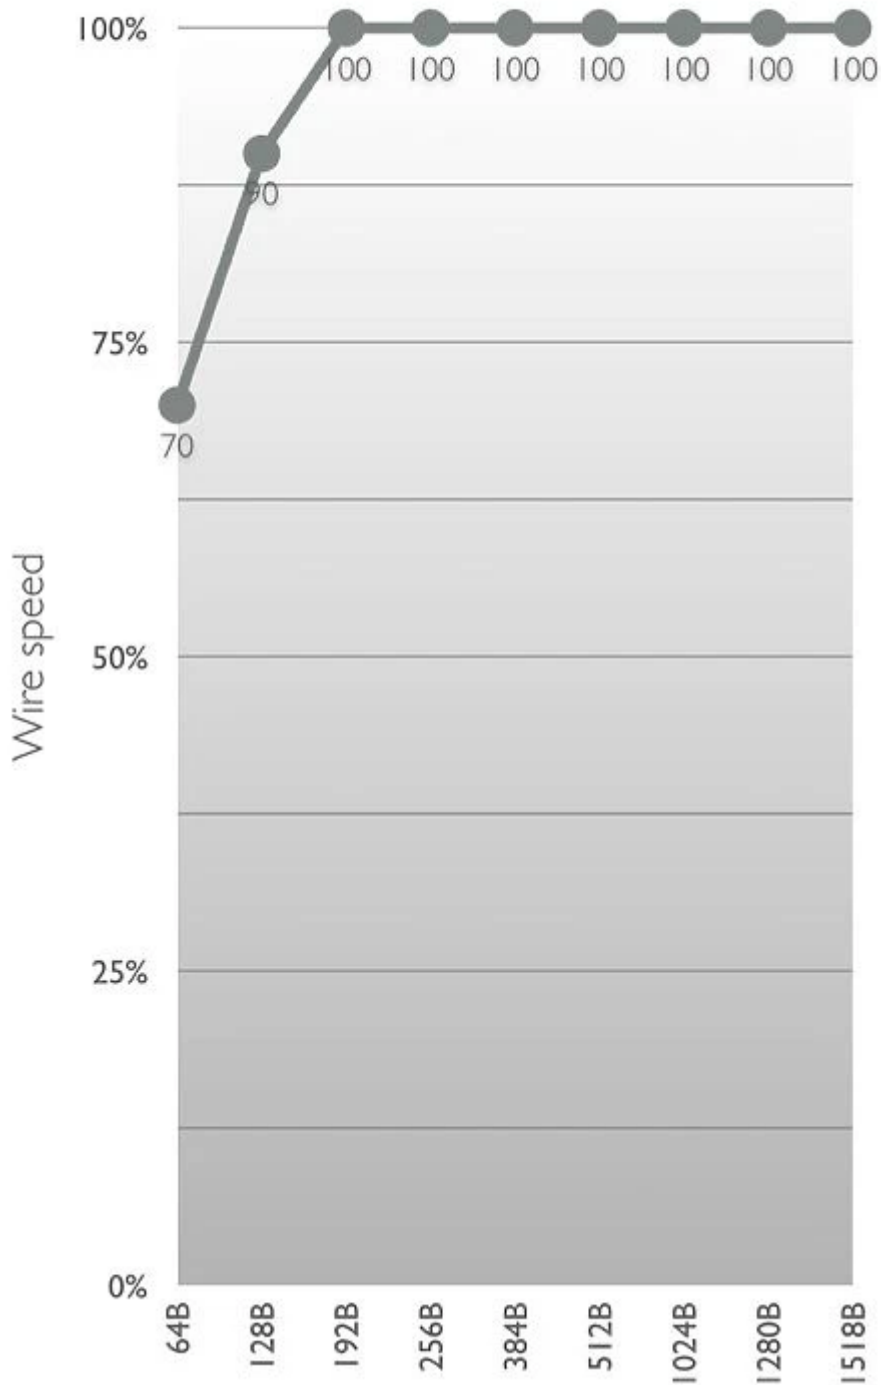

Secure encrypted wireless connection

Wireless Wire makes a secure encrypted wireless **AES 60 GHz** connection, which is not affected by crowded WiFi spectrum, offers **stable and fast connection over a distance of 200 meters or more**. The box contains two wAP60G devices that are already paired with each other, a wall-mounting kit, mast mounting straps and a pair of table racks for indoor use. The link will work even through most windows, depending on the material they are made of.

Full duplex Gigabit small packet performance

Main features:

- Operation in the unlicensed 60 GHz band
- Set consisting of two WAPG-60ad
- Standard 802.11ad
- Range of about 100 meters
- Gigabit Ethernet ports

Included:
