Full product description

Automatic cleaning, sterilization and drying in one unit

Momcozy KleanPal Pro is **an advanced solution** that allows you to wash, sterilize and dry baby bottles and accessories hands-free. With powerful **spray jets and a precision cleaning system**, each bottle and breast pump part is thoroughly cleaned of milk residue and bacteria. **The 9 modes** allow you to customize the cycle as needed, saving you time and ensuring the highest level of hygiene.

Thorough cleaning with 22 spray jets

The Momcozy KleanPal Pro uses **12 directional spray nozzles and 10 rotating jets** to effectively clean both the inside of the bottles and their surface. This ensures that no milk residue or sludge remains, **minimizing the risk of bacterial growth**. The automatic cleaning system eliminates the need for manual scrubbing, saving time and effort.

9 wash modes - flexibility and convenience

The device offers **9 cleaning modes**, including quick wash, normal wash, sterilization drying and storage. If you're in a hurry, the **quick wash mode** can effectively clean bottles in **just 19 minutes**. You can also combine functions to provide full disinfection and drying in one cycle.

Effective sterilization and hygienic storage

The sterilizer uses high-temperature steam that **eliminates 99.9% of bacteria**, ensuring clean and safe bottles for baby. Once the process is complete, bottles can remain sterile **for up to 72 hours**, thanks to a **medical-grade HEPA H13** filter that purifies airflow and removes floating particles.

Large capacity - more bottles in one cycle

Thanks to its **double-layer design**, the Momcozy KleanPal Pro holds **up to 4 bottles of most popular brands**, as well as other accessories such as pacifiers, baby tableware and breast pump parts. You can sterilize all the necessary items at the same time, which **greatly simplifies the organization of daily baby care**.

Contents of the kit

- Drain pipe (1 piece).
- Power cord (1 pc.)
- Detergent tablets (1 piece).
- Operating instructions (1 pc.)
