momcozy

Manufacturer: MOMCOZY

Referention number: DNXGJOILGRMMIN

Information:

The Momcozy maternity belt is a functional black band for expectant mothers that provides stable support for the abdomen and relieves the lumbar area and lower back, increasing comfort when walking, standing and during light activity. Thanks to Ergonest Support Structure technology and 3D shaping, it adapts to the body shape, distributes pressure evenly and helps maintain correct posture. The soft, skin-friendly, breathable material with ventilation holes reduces chafing and overheating. The seamless, flat design means the belt is invisible under clothing, while the adjustable fastening ensures easy putting on, comfort and a good fit throughout pregnancy.

Full product description

Functional Momcozy maternity belt - stable support for the lower back and abdomen

Maternity belt by **Momcozy** is a practical tool designed to make everyday life easier for women during pregnancy. This black **belly band** has been created with body stabilisation and relief for the lower back in mind, which significantly increases **comfort** when walking, standing or doing light exercise. Thanks to its thoughtful design, the product is a helpful wardrobe item, helping to reduce **discomfort** resulting from the body's shifting centre of gravity.

Uniesienie i Ulga

Ergonomiczna konstrukcja zmniejsza nacisk na brzuch, łagodzi obciążenie dolnej części pleców i zapewnia komfort na co dzień.

Ergonest Struktura Podtrzymująca™

Formowanie w Kształcie O

Momcozy and Ergonest Support Structure technology

The **Momcozy pregnancy belly band** uses advanced 3D shaping and the Ergonest Support Structure system. This is an ergonomic design that fits the body precisely, offering stable **pregnancy support** where it is needed most. The material used in production is **soft** and skin-friendly, which means that **wearing the belt** does not cause irritation even during prolonged contact with the body. This technology allows pressure to be distributed evenly, which is key to maintaining proper posture.

ułatwia chodzenie.

Profilowanie w kształcie litery O

Ergonomiczny design zwiększa wsparcie.

Belly band as a functional abdominal support band

When designing this **maternity belt**, the manufacturer focused on precise **fit** to the changing shape of a woman's figure. The **abdominal support band** has special ventilation openings that ensure constant air circulation, allowing the skin to breathe freely. The stable fastening mechanism allows quick adjustment of the circumference, making the **band** functional for many months. This model is available in various options, allowing the right size to be chosen for every expectant mother, whether size M or XL.

Prosty pas dwuczęściowy, gładkie dopasowanie

1
Owiń część pod biustem od tyłu do przodu i zapnij rzepy.

2
Przytrzymaj dolną część brzucha, tak aby wcięcie było skierowane ku górze.

3
Zapnij rzepy z jednej strony, zaciśnij wystający pasek z drugiej i zabezpiecz go.

4
Wyreguluj pas brzuszny, aby uzyskać wygodne dopasowanie, i gotowe!

Discreet wear under everyday clothing

An important feature of the **seamless maternity belt** is its slim profile and flat edge finish. As a result, the product is not **visible** under everyday **clothing**, allowing it to be worn freely at work, at home or during social outings. The **Momcozy pregnancy belly band black** is made from smooth fabrics that do not show through even under fitted materials. This means the benefits of the **maternity support band** can be enjoyed discreetly, with stability and without affecting the look of the chosen outfit.

Jak wybrać odpowiedni rozmiar?

1. Podążając za ilustracją lub wideo, zmierzyć obwód pod biustem.
2. Zmierzyć obwód dolnej części brzucha w pokazany sposób.
3. Porównać obwód dolnej części brzucha z rozmiarem pod biustem.

*Jeśli pomiary różnią się, do wyboru rozmiaru użyć pomiaru pod biustem.

Ważne wskazówki:

1. Nie wybierać rozmiaru na podstawie rozmiaru spodni.
2. Zmierzyć dolną część brzucha tuż poniżej pępka, owijając taśmę mierniczą wokół pleców.
3. Zapoznać się z tabelą rozmiarów, aby zapewnić odpowiednie wsparcie dla brzucha.

*Jeśli pomiary różnią się, do wyboru rozmiaru użyć pomiaru pod biustem.

Tabela rozmiarów	Pod biustem	Obwód dolnej części brzucha
M	31-34 cale / 80-87 cm	35-43 cale / 90-110 cm
L	35-37 cale / 88-95 cm	39-47 cale / 100-120 cm
XL	38-40 cale / 96-103 cm	44-51 cale / 112-132 cm
2XL	41-45 cale / 104-115 cm	52-59 cale / 133-149 cm

*Jeśli pomiary różnią się, do wyboru rozmiaru użyć pomiaru pod biustem.

Easy care and durable materials

The high quality of the fibres used means that the **momcozy pregnancy belly band** retains its technical properties even with regular use over many months. The **maternity belt** is resistant to excessive stretching, and the material does not lose its structure after washing, ensuring stable **fit** throughout the pregnancy. Caring for the product is simple, helping to preserve the **soft** and pleasant-to-touch feel of the fabric while maintaining skin hygiene. Thanks to the sturdy fastening elements, the product does not shift during movement, resulting in lasting **comfort** and confidence that the belt will stay in place and will not be **visible** under **clothing**.

Nowe rozwiązanie na ból w ciąży

The image compares three pregnancy support scenarios. The first, 'Bez pasa ciążowego' (No pregnancy belt), is marked with a red 'X' and shows a pregnant woman with a red 'X' on her lower back. The second, 'Z nieodpowiednim pasem ciążowym' (With incorrect pregnancy belt), is also marked with a red 'X' and shows a woman with a grey belt that is too tight, causing discomfort. The third, 'Momcozy', is marked with a green checkmark and shows a woman with a black Momcozy belt, which is crowned with a gold crown icon. To the left of these images is a list of features: 'Komfortowy' (Comfortable), 'Wsparcie pleców' (Back support), 'Łatwy w zakładaniu' (Easy to put on), 'Bezszwowy' (Seamless), and 'Oddychający' (Breathable). Each feature has a corresponding 'X' or thumbs up icon in the comparison columns.

Feature	Bez pasa ciążowego	Z nieodpowiednim pasem ciążowym	Momcozy
Komfortowy	X	👍	👍👍👍
Wsparcie pleców	X	👍	👍👍👍
Łatwy w zakładaniu	X	👍	👍👍👍
Bezszwowy	X	👍	👍👍👍
Oddychający	X	👍	👍👍👍
