

Orvaldi i600 LED | UPS | 600VA/360W, 7Ah

link to the product:

<https://www.batna24.com/gb/p/ups/orvaldi-i600-led-ups-600va-360w-7ah>

Price: **285.85 zł** gross / 232.40 zł net

Manufacturer: ORVALDI

Referention number: DNXGGJHPMRMMH

Product features

Height	141 mm
Width	100 mm
Depth	316 mm
UPS topology	Line-Interactive
Output power capacity	0.6 kVA
Battery capacity	9 Ah
Battery voltage	12 V
Input frequency	50 Hz
Output power	360 W
Product colour	Black
Input operation voltage (max)	240 V
Input operation voltage (min)	220 V
Waveform	Pseudo sine

Full product description

ORVALDI i600 LED

It is an advanced **UPS** device in **line-interactive topology** based on **full microprocessor control**. Used with the latest technology and high efficiency to provide power to the protected loads both in **mains and battery** operation. The voltage shape is economical at the UPS output and is characterized by a very quiet operation during battery mode, which ensures the universality of application of this device to a wide range of switching power supplies (passive PFC) . In case of interruption of the supply voltage, it can immediately supply the energy stored in the batteries without any interruption. Switchover time to battery operation and vice versa is typically carried out within **2 to 6 ms**.

What are the features of ORVALDI I600 LED UPS?

- "Green topology" saves 50% more energy than other UPSs in its class;
- Built-in intelligent charger provides 90% charge in just 5 hours.
- Superior microprocessor control ensures high reliability.
- Dual Boost and Buck AVR for voltage stabilization.
- Auto-restart when AC supply voltage returns.
- Simulated sine wave (approximate).
- Cold start function.
- LED indicating UPS operating status.
