Price: **1,092.44 zł** gross / 888.16 zł net

Manufacturer: ORVALDI

Referention number: DNXGGJHPJRMJJK

Product features

Height	220 mm
USB charging port	Yes
Width	145 mm
Depth	397 mm
UPS topology	Line-Interactive
Output power capacity	1.1 kVA
Surge protection voltage	Yes
Battery capacity	7 Ah
Battery voltage	24 V
Input frequency	50 Hz
Auto-restart	Yes
Serial interface type	RS-232
Number of batteries supported	2
Output power	770 W
AC outlet types	IEC 320
Product colour	Black
Automatic Voltage Regulation (AVR)	Yes
Input operation voltage (max)	290 V
Input operation voltage (min)	162 V
Waveform	Pure sine
Product weight	11.2 g

Full product description

ORVALDI LT-1100 sinus tower UPS

The **ORVALDI LT** sinusUPS provides stable operation of sensitive server-class equipment and full protection against power failures, spikes and voltage instability. This unit is dedicated to networking, telecommunications, server equipment and critical computer stations.

What are the characteristics of the ORVALDI LT-1100 SINUS TOWER?

- **Pure sine wave** with battery operation
 - Output **power factor of 0.7**
 - Programmable power management slots (**one section**)
 - ECO mode operation (**performance correcting optimizer**) to save energy
 - Connection to **EPO** emergency stop
 - Very high efficiency **in battery mode**
 - **Boost and buck AVR** for voltage stabilization
 - 3-stage intelligent **battery charge control**
 - Multiple communication options available: **RS232 and USB as standard**
 - Equipped with additional port for **optional SNMP network card**
 - **8 IEC320 C13 (computer)** output sockets
-
