### Information:

A set of 2 control sticks designed for the Atom Series drone controller. The accessories are compatible exclusively with drones from the ATOM series, so before purchasing it is worth making sure that the model you own belongs to this line. This is a practical set for replacement or as a spare, ensuring convenient control and full compatibility with the dedicated controller.

### Full product description

### Control Sticks for Atom Series Drone Controller, 2 pieces

The kit includes two control sticks specifically designed for the Atom Series drone's remote controller. These sticks are only compatible with ATOM Series drones. Make sure your drone belongs to the Atom Series before you purchase and start using it.
