Price: **420.66 zł** gross / 342.00 zł net

Manufacturer: QUWIRELESS

Referention number: DNXXGKPMFRMMJM

Product features

Height	276 mm
Antenna type	Directional antenna
Width	272 mm
Depth	96 mm
Antenna gain level (max)	6 gain
Impedance	50 Ω
IFU / User manual	Yes
Country of origin	Poland
Operating temperature (T-T)	-40 - 75 °C
Mounting	Wall/Pole
International Protection (IP) code	IP67
Product colour	White
Voltage Standing Wave Ratio (VSWR)	1.8
Horizontal beam width	90 °
Vertical beam width	90 °
Polarization	Vertical polarization
Gain	4 gain
Antenna connector type	PoE/LAN
Watch case material	Acrylonitrile butadiene styrene (ABS)
Designation	Indoor & outdoor
Product weight	1800 g

Full product description

QuWireless QuMax A140M - reliability and performance in your network

This advanced product offers unparalleled performance and reliability, providing fast and stable connections in all conditions. An ideal choice for professionals and home users who expect the best quality of service.

Exceptional performance and connection stability

The QuWireless QuMax A140M is a directional antenna that provides **an impressive energy gain of** up to 6 dBi for LTE, ensuring strong and stable connections. Thanks to the LTE antenna's advanced technology, you can enjoy fast and reliable internet regardless of the conditions. It's the ideal solution for users who require superior network services.

Resistance to harsh conditions

The QuMax A140M antenna is **designed to withstand the harshest** weather **conditions**. Made of durable materials such as ABS, aluminum and fiberglass, and with an IP67 rating, it is dust and water resistant. So you can rest assured that your connection will remain stable, regardless of the weather.

Easy installation and versatility

The QuWireless QuMax A140M is easy to install and fully compatible with the Teltonika TRB140. The antenna is **lightweight and compact**, making it easy to install and integrate into your system. It is a versatile product that will meet the needs of both professionals and home users.
