Price: **467.40 zł** gross / 380.00 zł net

Manufacturer: QUWIRELESS

Referention number: DNXGGKPMGRMMKL

Product features

Height	276 mm
Antenna type	Directional antenna
Width	272 mm
Depth	96 mm
Antenna gain level (max)	6 gain
Impedance	50 Ω
Country of origin	Poland
Operating temperature (T-T)	-40 - 75 °C
Mounting	Wall/Pole
International Protection (IP) code	IP67
Product colour	White
Voltage Standing Wave Ratio (VSWR)	1.8
Horizontal beam width	90 °
Vertical beam width	90 °
Polarization	Vertical polarization
Gain	4 gain
Antenna connector type	PoE/LAN
Watch case material	Acrylonitrile butadiene styrene (ABS)
Designation	Indoor & outdoor
Product weight	1800 g

Full product description

QuWireless QuMax A140M-A - Your solution for stable LTE

This chassis version delivers unmatched performance and reliability, offering fast and stable LTE connections even in the harshest environments. An ideal choice for businesses and home users looking for superior network services.

Exceptional connection performance

The QuWireless QuMax A140M-A is a directional antenna that offers an impressive energy gain of up to 6 dBi, providing strong and stable LTE connections. Thanks to its advanced technology, the LTE antenna **guarantees fast and reliable internet access**, which is crucial for professional services. It's ideal for users who need the highest quality network connections.

Resistance to harsh conditions

The QuMax A140M-A is **designed to withstand the harshest weather conditions**. The rugged ABS, aluminum and fiberglass housing and IP67 rating provide protection from dust and water. This makes the antenna perform reliably even in extreme weather conditions, making it ideal for outdoor applications.

Easy installation and versatility

The QuWireless QuMax A140M-A is easy to install and compatible with the Teltonika TRB140 router. **Thanks to PoE technology, installation is quick and no additional power cables are required.** It is a versatile product that will meet the needs of both businesses and home users, providing stable LTE connections.
