Price: **996.30 zł** gross / 810.00 zł net

Manufacturer: QUWIRELESS

Referention number: DNXXGMLJMRMLP

Product features

Height	105.6 mm
Antenna type	Directional antenna
Width	486 mm
Depth	292.2 mm
Mounting kit	Yes
Type of clamp	U-bolt
Antenna gain level (max)	7 gain
Impedance	50 Ω
Country of origin	Poland
Operating temperature (T-T)	-40 - 80 °C
Mounting	Wall/Pole
International Protection (IP) code	IP67
Product colour	White
Voltage Standing Wave Ratio (VSWR)	3.00
Horizontal beam width	80 °
Vertical beam width	80 °
Polarization	Dual polarization
Gain	6 gain
Antenna connector type	PoE/LAN
Watch case material	Acrylonitrile butadiene styrene (ABS)
Designation	Indoor & outdoor
Product weight	2800 g

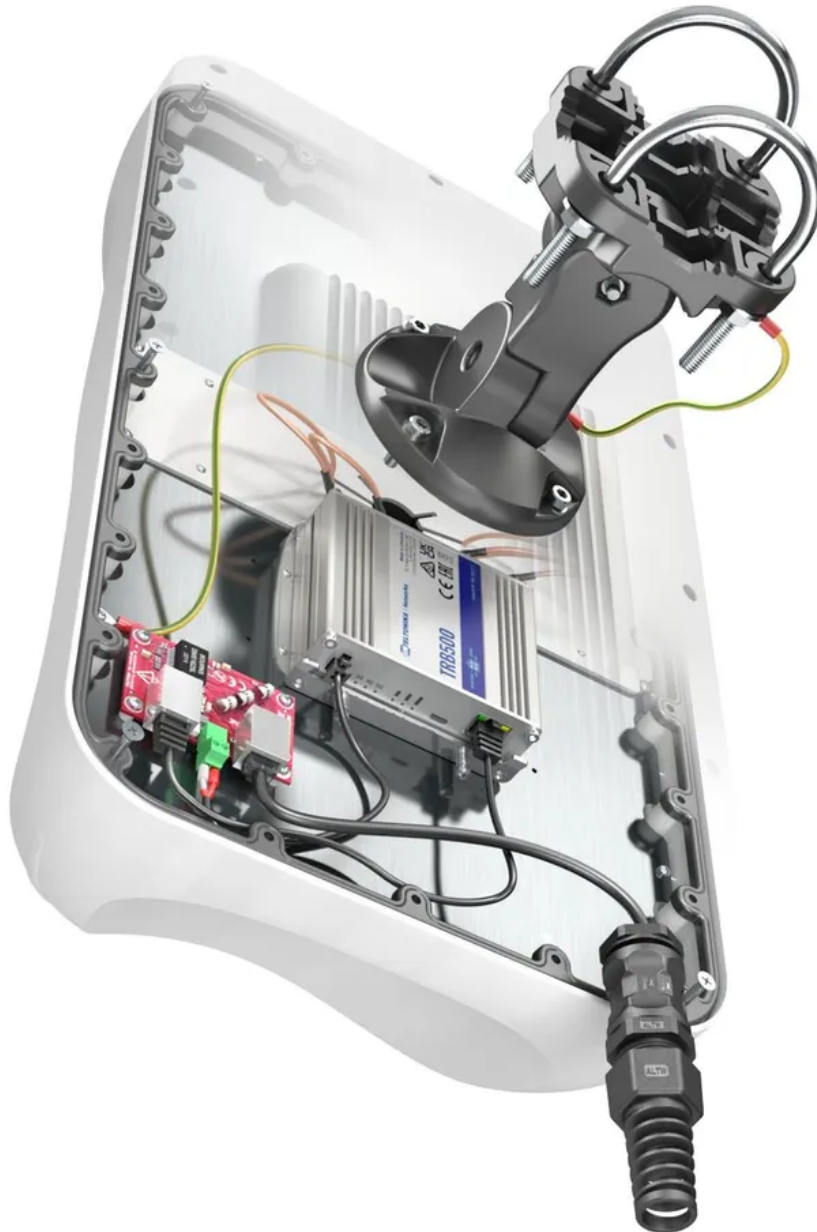

Full product description

QuWireless QuMax A500M - an antenna that will take your connection to the next level.

This advanced 5G antenna was developed specifically for the Teltonika TRB500 router, offering unparalleled performance and reliability. With the QuMax A500M, you will always enjoy a fast and stable Internet connection, regardless of the conditions.

Maximum performance

QuMax A500M is a product that provides exceptional energy gain at various frequencies. Thanks to its wide operating frequency range, the antenna can perfectly cope with 5G networks, ensuring **a reliable connection**. Regardless of the location, the QuWireless QuMax A500M guarantees maximum signal strength.

Robust and durable construction

The QuWireless QuMax A500M **is made of high-quality materials** such as ABS, aluminum, PTFE and fiberglass. With an IP67 rating, the antenna is resistant to harsh weather conditions, making it ideal for outdoor applications. Reliability and longevity are the features that define this product.

Easy installation and versatility

The QuMax A500M product is **designed for easy installation** and compatibility with the Teltonika TRB500. Whether you're at home, in the office or out in the field, this antenna provides high-speed access to 5G networks. So you can always count on a stable and fast internet connection.
