Price: **117.01 zł** gross / 95.13 zł net

Manufacturer: EXTRALINK

Referention number: DNXFLINGRMMJH

Product features

Height	26.5 mm
Input voltage	100 V
Output voltage	5 V
LED indicators	Activity
Width	70.6 mm
Depth	94 mm
Connectivity technology	Wired
Input current	0.3 A
Maximum data transfer rate	1000 Mb/s
Data transfer rate	1000 Mb/s
DIN rail mounting	No
Networking standards	IEEE 802.3
Auto MDI/MDI-X	Yes
Plug and Play	Yes
Ethernet interface type	Gigabit Ethernet
Hot-swap	Yes
Reset button	No
Web-based management	No
Fiber optic connector	SFP+
Duplex system	Full

Jumbo frames	9216
Jumbo frames support	Yes
Output current	1 A
Power over Ethernet (PoE)	No
AC input frequency	50 Hz
Wavelength	1 nm
Copper ethernet cabling technology	1000BASE-T
Product colour	Black
Converter output interface	1000Base-FX
Converter input interface	1000Base-T
Maximum transfer distance	10000 m
Fiber ethernet cabling technology	1000BASE-FX
Watch case material	Metal
Internal	Yes

Full product description

Extralink SEDIR media converter, optical fibre - Ethernet cable

Extralink Sedir is a media converter that converts the transmission of media between FTP/UTP copper cables and SFP (Small Form-Factor Pluggable) optical transmitter-receiver. The media converter from Extralink is designed to meet the huge needs of Ethernet deployment and allows it to be extended via fiber optic cable over a maximum distance of 80 km (depending on the SFP module used). Installation and operation procedures are very simple. The device status can be monitored locally by a set of diagnostic LEDs on the front panel.

Features:

- Easy installation and use
- Easy problem detection
- Plug-and-play
- Conversion from 100Base-TX/FX or 1000Base-T to 1000BASE-SX/LX

- Jumbo Frame support (64-9216 bytes)
- Conversion between different transmission speeds and types of transmission media
- Can be installed in a 2U 14/16 slot housing
- Ethernet port authentication (Half/Full Duplex)
- Auto MDI/MDI-X support

Extralink Sedir - a good price substitute

The Extralink Sedir model is a cheap substitute for TP-LINK MC220L media converter.
