Price: **439.11 zł** gross / 357.00 zł net

Manufacturer: QUWIRELESS

Referention number: DNXXGKPLDRMMGQ

Product features

Height	240 mm
Antenna type	Omni-directional antenna
Width	160 mm
Depth	160 mm
Antenna gain level (max)	4 gain
Impedance	50 Ω
IFU / User manual	Yes
Country of origin	Poland
Operating temperature (T-T)	-40 - 75 °C
Mounting	Wall/Pole
International Protection (IP) code	IP67
Product colour	White
Voltage Standing Wave Ratio (VSWR)	2
Horizontal beam width	360 °
Vertical beam width	35 °
Polarization	Vertical polarization
Gain	2 gain
Antenna connector type	PoE/LAN
Watch case material	Acrylonitrile butadiene styrene (ABS)
Designation	Indoor & outdoor
Product weight	1500 g

Full product description

QuWireless QuSpot A140S-A - the optimal solution for your LTE network

An advanced LTE antenna designed specifically for Teltonik TRB140. This encapsulated antenna guarantees reliability and performance, providing stable connections even in the toughest conditions. An ideal choice for professionals and home users who are looking for a high-quality network solution

Exceptional performance and connection stability

The QuWireless QuSpot A140S-A is an omnidirectional antenna that offers **an impressive signal gain of up to 4 dBi**. Thanks to its advanced LTE technology, you can enjoy fast and reliable internet regardless of the conditions. It's the perfect solution for those who need stable and efficient network connections.

Resistance to harsh conditions

The QuSpot A140S-A is **designed to withstand even the harshest weather conditions**. An enclosure made of durable materials such as ABS and aluminum, and an IP67 rating, provide protection from dust and water. As a result, the antenna can operate without interference in temperatures ranging from -40°C to 75°C.

Easy installation and versatility

The QuWireless QuSpot A140S-A is easy to install and fully compatible with the Teltonika TRB140 router. The antenna is **lightweight and compact**, making it easy to install and integrate into your system. It is a versatile product that will meet the needs of both professionals and home users.
