Price: **583.02 zł** gross / 474.00 zł net

Manufacturer: QUWIRELESS

Referention number: DNXGGKPLIRMMLL

Product features

Height	240 mm
Antenna type	Omni-directional antenna
Width	160 mm
Depth	160 mm
Mounting kit	Yes
Antenna gain level (max)	4 gain
Impedance	50 Ω
IFU / User manual	Yes
Country of origin	Poland
Operating temperature (T-T)	-40 - 75 °C
Mounting	Wall/Pole
International Protection (IP) code	IP67
Product colour	White
Horizontal beam width	360 °
Vertical beam width	35 °
Polarization	Vertical polarization
Gain	2 gain
Antenna connector type	PoE/LAN
Watch case material	Acrylonitrile butadiene styrene (ABS)
Designation	Indoor & outdoor
Product weight	1500 g

Full product description

QuWireless QuSpot AX09S - maximum performance in your network

This advanced device provides exceptional performance and reliability to keep your network running at the highest level, regardless of conditions. The QuWireless QuSpot AX09S is the ideal solution for demanding users who are looking for reliability and high quality.

High performance and stable connections

The QuWireless QuSpot AX09S provides an impressive energy gain of up to 4 dBi for LTE, which guarantees **strong and stable connections**. Thanks to its advanced omnidirectional antenna technology, the signal is distributed evenly in all directions, ensuring excellent connection quality. It's ideal for users who need reliable internet access in any situation.

Resistance to harsh conditions

The QuMax AX09S antenna is **designed to operate in the harshest weather conditions**. Made of durable materials such as ABS and aluminum, and with an IP67 rating, it is dust and water resistant. As a result, you can rest assured that your connection will remain stable, regardless of the weather conditions.

Ease of Installation and Versatility

The QuWireless QuSpot AX09S is easy to install and compatible with Teltonika's RUTX09 router for seamless integration and quick deployment. Thanks to its advanced design, **the antenna can operate over a wide frequency range**, making it a versatile solution for a variety of applications. It is an ideal choice for both professionals and home users.
