Price: **2,569.72 zł** gross / 2,089.20 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFPLSRMNHN

Product features

Regulatory Approvals	FCC
SFP transceiver type	Fiber optic
CD-ROM interface type	SFP+
Compliance certificates	CE
Maximum data transfer rate	10000 Mb/s
IFU / User manual	No
Plug and Play	Yes
Hot-swap	Yes
User guide	No
Fiber optic connector	LC
Easy to install	Yes
Single-mode fiber (SMF) supported	Yes
Wavelength	1550 nm
Wavelength-division multiplexing (WDM)	Yes
Product colour	Silver
Maximum transfer distance	80000 m
Watch case material	Metal

Full product description

Efficient pair of SFP 10G WDM 1490/1550NM SM 80KM LC modules.

Extralink SFP WDM optical transceivers are high-performance, cost-effective, single-mode fiber SFP modules supporting **10Gbps** data rate and **80km** transmission range. They are designed for fiber optic transmission using single-mode fiber. **Extralink SFP 10G** operates at **1490/1550nm** AC wavelength.

Single-mode SFP inserts for a wide range of applications

SFP 10G optical modules are used for: Gigabit Ethernet, fiber channels, Switch to Switch interfaces, switched backplane applications, router/server interfaces and other optical transmission systems.
