Product weight	3800 g

Full product description

ROBOROCK Q Revo vacuuming robot

Experience the pleasure of **smart cleaning** together with **Roborock Q Revo**. With powerful capabilities and **maintenance-free technology**, Q Revo makes cleaning, navigation and **operation simpler** than ever.

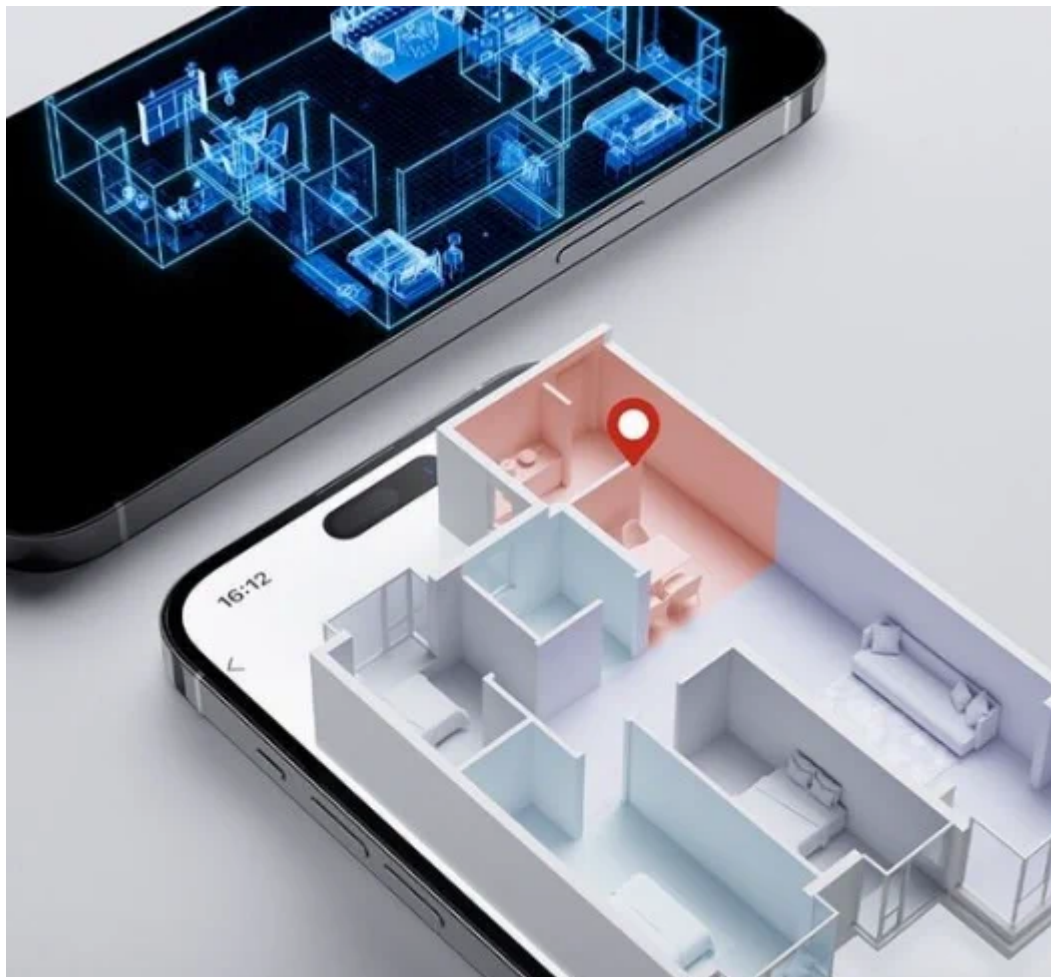

Make your life easier

With Q Revo, daily cleaning becomes child's play. Equipped with **a multifunctional base station**, the robot reduces the need for manual intervention to a minimum. You no longer have to worry about **hand-washing mops** - the advanced cleaning tray with adjustable water supply **removes all debris** for thorough and **hygienic cleaning**.

Automatic refilling of the water tank

The **Q Revo** takes care of full coverage of your home with water, automatically refilling **the water tank** to wash an area of up to **400 m²**. This allows you to wash and clean **your** floors in one go, saving you **time and effort**.

Floating mop for perfect carpets

The **mop** 's unique **7mm** upward lift feature allows you to **vacuum carpets and clean floors** without leaving **dirty streaks**. With this feature, **the Q Revo brings cleanliness** and convenience to every surface in your home. The perfect cleaning robot for your home. The vacuum cleaner will remove any dirt. The robot detects and avoids potential obstacles. You don't have to worry about dirt.
