Cleaning cloth	Yes
Suction power	5500 Pa
Noise level	67 decibel
Base station functions	Charging
Wi-Fi	Yes
Navigation type	LiDAR
Battery technology	Lithium-Ion (Li-Ion)

Battery life	300 m2
Rechargeable	Yes
Product colour	Black
Dirt separating method	Filtering
Dust container type	Dust bag

Full product description

Join the cleaning revolution with Roborock Q5 Pro

Introducing **the DuoRoller™ brush**, our latest advancement in **cleaning technology**. This innovative brush is designed to increase carpet vacuuming **performance**, minimize hair entanglement and make the cleaning process even more hassle-free. **The ROBOROCK Q5 Pro is your guarantee of cleanliness at the highest level.**

Impressive suction power of 5,500 Pa

Thanks to **HyperForce™** technology, the **Roborock Q5 Pro** 's suction power has been increased to an impressive **5,500 Pa**. This means it easily **removes dirt and pet hair** from different types of surfaces, leaving your living space spotlessly clean. Whether you have wood floors, carpets or tiles, **the Q5 Pro** can handle any challenge.

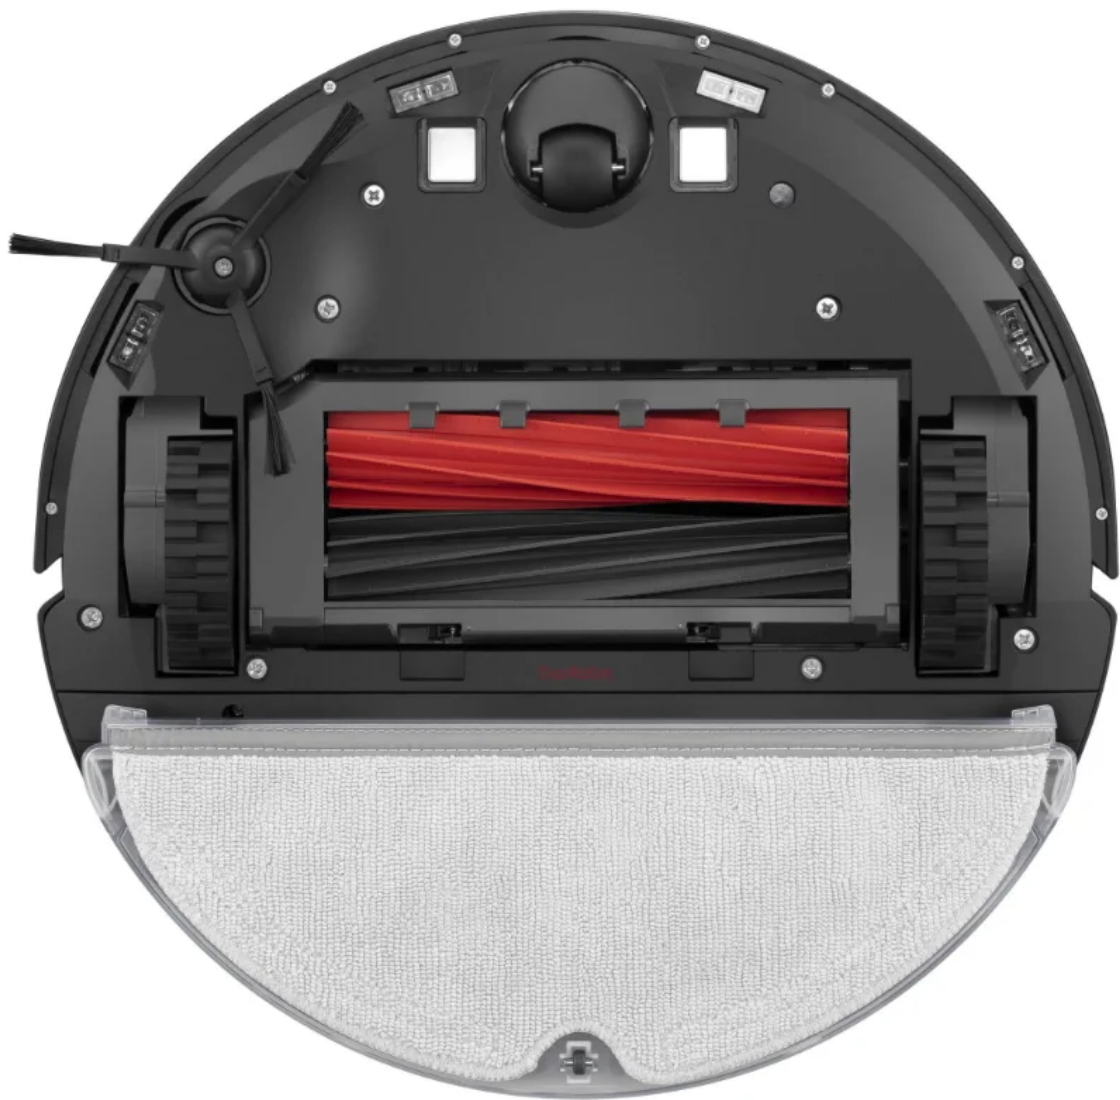

Effortless floor cleaning

Roborock Q5 Pro cleans wooden floors by moving along the joints for better efficiency and keeping dirt out of sight. **This intelligent solution** ensures that floors are always perfectly clean

Larger tank for longer hair

With a capacious **770 ml dust tank**, the **Q5 Pro** effectively handles even the longest pet hair. **The larger capacity of the tank means fewer emptying interruptions and greater convenience of use.**

Get rid of what you can't see

Roborock Q5 Pro is not only a vacuum cleaner, but also a **mop**. It can vacuum and mop the floor at the same time, capturing **very fine dust** that might be missed by vacuuming alone. The mop's modular design makes it versatile enough to meet all your cleaning needs.

Cleaning as desired

Personalized cleaning schedules is a feature that allows you to teach **the robot your habits**. Set the time, cleaning mode and the room you want to clean, and it will all happen automatically. **ROBOROCK Q5 Pro** also offers **up to 30% faster cleaning**, **saving you time**.

Start cleaning

Take command and issue a command for the **ROBOROCK Q5 Pro** to clean the entire house or just selected rooms. You'll be assisted by **Amazon Alexa, Google Home or Apple Siri** - you choose. **Roborock Q5 Pro** is smart **cleaning for your needs**.
