Full product description

Impressive suction power of 5,500 Pa

Introducing **Roborock Q5 PRO**, the new standard in cleaning technology. Equipped with **5,500 Pa of suction power** thanks to HyperForce™ technology, Q5 PRO effortlessly removes dirt and pet hair from a variety of surfaces. Regardless of the type of floor, the Q5 PRO **ensures a pristine clean**.

Roborock Q5 PRO with DuoRoller™ double brush

The innovative **DuoRoller™ brush** is our latest development. Designed specifically to increase carpet cleaning efficiency, it **reduces the amount of entangled hair**, making cleaning effortless and more effective. **The Double Brush for Double Power** is a **game-changing solution**.

Effortless floor cleaning

The **Roborock Q5 Pro** excels at cleaning **wooden floors**, moving along joints and reaching places where dirt often hides. **This keeps the cleanliness of your space at the highest level.** The vacuum cleaner has plenty of sensors

Larger tank for longer hair

The **new, capacious 770 ml** dust tank allows the **Q5 PRO** to effectively handle long pet hair. As a result, cleaning efficiency is greatly increased and you can enjoy a clean home for a longer period of time.

Long-term cleaning

The huge **5200 mAh** battery provides up to **4 hours of** continuous use. The **Q5 PRO Plus** is capable of cleaning **up to 350 sq. ft.** on a single charge, making it ideal for large homes.

Vacuuming and washing in one

The **Roborock Q5 Pro Plus** can vacuum and mop the floor at the same time, capturing even very fine dust. **The mop's modular design** makes it versatile and meets all your cleaning needs while making the maintenance process easier.

Cleaning as desired

Roborock Q5 Pro offers personalized cleaning schedules. **Set the times**, cleaning mode and rooms you want to clean and the robot will do the rest. Try the **up to 30% faster cleaning** available in the app **that saves you time**.
