Full product description

Roborock S8 Pro Ultra Automatic Vacuum Cleaner

Roborock S8 Pro Ultra black is an advanced vacuuming robot that combines **the latest technologies** to ensure maximum cleaning efficiency in your home. Equipped with the innovative **VibraRise** vibration mopping system , the Roborock S8 Pro Ultra effectively handles any type of floor, adapting to its **specific characteristics**.

Unmatched Power and Durability

With a **5200 mAh** battery, the Roborock S8 Pro Ultra can run continuously for up to **3 hours**, allowing for comprehensive cleaning of even the **largest homes**. The extremely powerful HyperForce suction system with a **power of 6000 Pa** guarantees the removal of even **the finest dirt**. With a **400 ml** dust tank and a **300 ml** water tank, the robot is able to **clean an area of up to 200 m²** without the need for frequent **emptying or filling**.

Intelligent Recognition and Navigation

Roborock S8 Pro Ultra uses advanced **Responsive 3D** object recognition technology and **LIDAR** laser navigation. These features enable the robot to **precisely map** the **space**, avoid obstacles and effectively clean every nook and cranny. With a function that lifts the mop pad when carpet is detected, **Roborock S8 Pro Ultra** is ideal for homes with **mixed floor types**.

Exceptional Mopping and Dirt Removal Features

New to the **Roborock S8 Pro Ultra** is a pair of main **rubber brushes** that effectively remove hair and other dirt while preventing tangling. The **VibraRise** mopping system, combined with a large water tank, ensures **efficient and thorough cleaning of hard floors**.
