Full product description

Healthy and tasty meals for the whole family

Looking for a way to **cook fast and healthy** for your kids? Our fat-free hot air fryer is the perfect solution! With **an XXL (6.5L) capacity**, you'll prepare crispy fries, juicy meats and vegetables without adding fat. This appliance combines convenience and health so that whole families can enjoy delicious dishes without remorse.

Multifunctionality and ease of use

With **8 cooking functions**, a touch screen and a **precise timer** from 0 to 60 minutes, you can cook your favorite dishes - from chicken to burgers - in just a few moments. The EXTRALINK non-fat fryer allows you to **control the temperature (80-200°C)**, making it perfect for any recipe. Simple controls mean that even kids can help in the kitchen!

Fat-free fryer 6L Tasty dishes without unnecessary fat

8 Cooking function

 Precise control with timer and adjustable temperature

Technology that saves time and space

Forget about long oven heating - our hot air fryer cooks **quickly and evenly**, preserving the flavor and crispness of your food. Through the **clear viewing window**, you can follow the process without losing heat. It's also a **cleaner and safer kitchen** - no oil splashes or unpleasant odors.

Less fat, more health

Reduce your fat intake by up to **90%** while maintaining the excellent taste of your food.

Less fat, more health

Reducing fat by up to 90% means fewer calories, which means healthier meals for your family. Our fat-free XXL fryer is a great alternative to **traditional frying** that helps preserve **the nutritional value and taste of** your food. It's an investment in the health of your loved ones, without sacrificing the pleasure of eating.

**Food for the whole family
thanks to 6L capacity**

Key features of the fat-free fryer

- | | |
|--------------------------------|---|
| Cooking Without Oil | A function that allows you to prepare food without adding oil, which allows you to achieve crispness and flavor, without unnecessary fat. |
| Preview Window | A clear viewing window allows you to monitor the cooking process without having to open the fryer, allowing you to maintain the ideal temperature and humidity of your food. |
| Touch Screen | The intuitive touchscreen makes it easy to operate the appliance, making cooking even more fun and convenient. |
| High Capacity and Power | With a capacity of 6.5 liters and 1600W of power, it guarantees the ability to prepare larger quantities of food in less time, making it ideal for families and those who appreciate efficient cooking. |
