Full product description

Extralink Smart Life Cable Car 600 Ampere - a product that will ensure that you never have to worry about an emergency start of your car again.

These starter cables are the ideal solution for any driver who values safety and reliability. With a length of 6 meters, Extralink Smart Life Car Cable guarantees convenience and ease of use in any situation.

Reliability and efficiency

Extralink Smart Life Car Cable 600 Amper ensures **fast and efficient starting of** your vehicle even in the harshest conditions. Equipped with robust terminals, these cables are resistant to mechanical damage, guaranteeing their longevity. In addition, Extralink starter cables are made of the highest quality materials to ensure maximum performance with every use.

Safety and convenience

These cables have special insulation to prevent overloading and damage to the vehicle during starting. The 6-meter length allows easy connection to the battery, regardless of the vehicles position. Thanks to the ergonomic handles, the Extralink starter cable is comfortable to use and minimizes the risk of accidental short-circuiting.
