Price: **89.00 zł** gross / 72.36 zł net

Manufacturer: TELTONIKA

Referention number: DNXGFNQPLRMNJK

Product features

Height	15 mm
Compliance certificates	RoHS
Harmonized System (HS) code	85177100
Cable length	3 m
Antenna gain level (max)	2.5 gain
Impedance	50 Ω
International Protection (IP) code	IP67
Product colour	Black
Voltage Standing Wave Ratio (VSWR)	3
Polarization	Linear polarization
Cable type	2x RG174
Antenna connector type	SMA
Connector gender	Male
Watch case material	Acrylonitrile butadiene styrene (ABS)
Diameter	80 mm
Product weight	250 g

Full product description

Teltonika Combo MIMO LTE antenna - for installation on the vehicle roof

Teltonika Combo MIMO antenna is an LTE antenna with SMA-Male connectors for roof mounting on vehicles. You mount the antenna in order to get the best possible mobile network signal quality.
