Price: **34.00 zł** gross / 27.64 zł net

Manufacturer: TELTONIKA

Referention number: DNXGFPPSKRMNLK

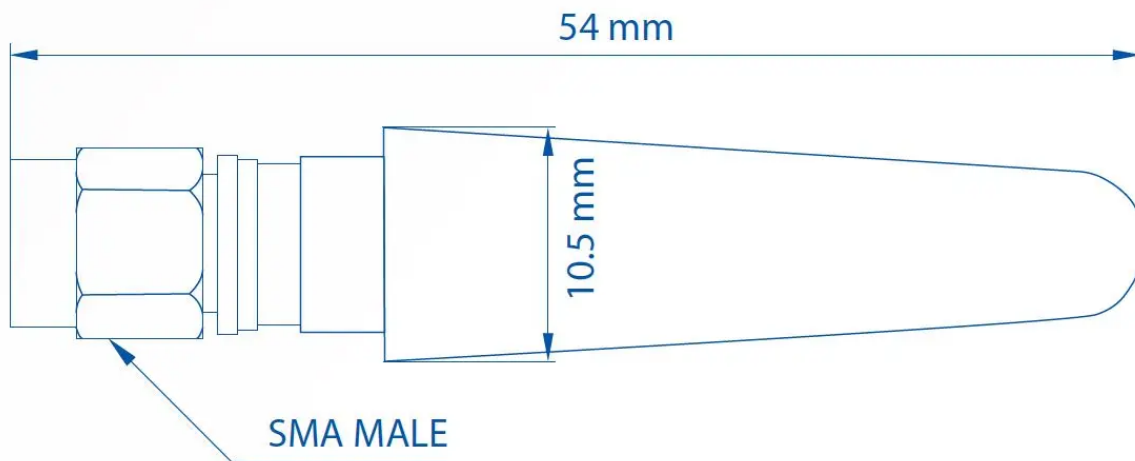

Product features

Height	54 mm
Antenna type	SMA antenna
Antenna gain level (max)	5 gain
Impedance	50 Ω
Product colour	Black
Voltage Standing Wave Ratio (VSWR)	1.8
Polarization	Linear polarization
Gain	5 gain
Antenna connector type	SMA
Connector gender	Male
Diameter	10.5 mm

Full product description

Teltonika 003R-00281 - compact LTE antenna

Teltonika 003R-00281 is a compact antenna **with 5 dBi gain**, equipped with an **SMA male** connector, which operates in the **700-2700 MHz** frequency range.

Additional information

- Linear polarization
- Resistance 50 Ω
- V.S.W.R. (Voltage Standing Wave Ratio) ≤ 1.8
