Price: **549.99 zł** gross / 447.15 zł net

Manufacturer: TELTONIKA

Referention number: DNXGGKQPIRMMPK

Product features

Height	85 mm
Input voltage	3 V
Antenna type	MIMO directional antenna
Width	189 mm
Depth	182 mm
Compliance certificates	RoHS
Cable length	3 m
Antenna gain level (max)	4 gain
Impedance	50 Ω
Operating temperature (T-T)	-40 - 85 °C
Frequency band	617 GHz
International Protection (IP) code	IP67
Voltage Standing Wave Ratio (VSWR)	3
Antenna connector type	SMA
Connector gender	Male
Watch case material	Acrylonitrile butadiene styrene (ABS)
Product weight	960 g

Full product description

5G / GNSS / Wi-Fi antenna for roof mounting

5G/GNSS/Wi-Fi roof-mount antenna by Teltonika. Combo MIMO PR1KC640 is an antenna with integrated GNSS, 5G and Wi-Fi antennas. It is designed for roof mounting in vehicles. It operates in 5G network, in the frequency band 617 - 960 / 1710 - 2690 / 2900 - 4200 MHz.
