Price: **109.90 zł** gross / 89.35 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGLOPDRMMKH

Product features

Height	45 mm
Input voltage	240 V
Width	31 mm
Depth	116 mm
Fast charging	Yes
Charger compatibility	Mobile phone
USB Type-C ports quantity	2
Package type	Hanging box
Maximum power	65 W
Power source type	USB
Minimum output voltage	5 V
Maximum output voltage	20 V
AC adapter output current	3.25 A
Product colour	Black
USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity	1
Charger type	Indoor
Fast charging technology	GaN
Number of simultaneously connected devices (max)	3

Full product description

Power and charging speed

The **Extralink Smart Life GaN Charger 65W**, combines powerful power and advanced **GaN** technology. Featuring one USB-A port and two USB-C ports, it guarantees fast and hassle-free charging of **up to 50% in 30 minutes**.

Tailored to your needs

Using **GaN (gallium nitride)** technology, our charger combines a compact design with maximum efficiency. **GaN** enables more efficient energy conversion, resulting in **less heat loss** and a more compact design, ideal for those who appreciate modernity.

GaN TECHNOLOGY (Gallium Nitride)

Reduced energy loss

Smaller and lighter design

Higher charging power

No restrictions

The Extralink charger is a true multitasker in the world of charging. It has **one USB-A port and two USB-C ports**, so you're not limited to charging just one device. A convenient and practical solution for multitasking users who don't want to waste time charging individual devices

EXCHANGE **3** CHARGERS FOR ONE
