Price: **59.99 zł** gross / 48.77 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGLPKMRMMOP

Information:

The modern EXTRALINK massage cushion is a practical device for people struggling with muscle tension and pain after a stressful day. It is suitable for massaging the neck, shoulders, back, feet, legs and abdomen, and thanks to its compact design it can be used at home, in the office or in the car. The infrared heating function helps relax muscles, improves circulation and has a soothing effect, while the automatic shut-off after 15 minutes increases safety. Two rotating heads with 8 massage points provide a deep Shiatsu-style massage, with the option to adjust the direction of rotation.

Full product description

Modern massage cushion EXTRALINK

Ideal for anyone experiencing muscle discomfort. Just **one** session a day is enough to relieve tension and the pain of tense muscles after a hard, stressful day. Regular use of the massager can improve the function of the **entire body**.
