Price: **1,710.71 zł** gross / 1,390.82 zł net

Manufacturer: TELTONIKA

Referention number: DNXGGJPOIRMMNJ

Product features

Height	30 mm
Antenna type	External
LED indicators	LAN
Routing protocols	BGP
Firewall security	Yes
Width	100 mm
Depth	93.4 mm
Cables included	LAN (RJ-45)
Syslog	Yes
Power consumption (max)	6 W
Humidity measurement range	10 - 90%
Quick start guide	Yes
Ethernet LAN (RJ-45) ports	1
Flash memory	512 MB
DC input voltage	9 V
Operating temperature (T-T)	-40 - 75 °C
AC adapter included	Yes
Cabling technology	10/100/1000Base-T(X)
Supported network protocols	TCP, UDP, IPv4, IPv6, ICMP, NTP, DNS, HTTP, HTTPS, SMTP, SSL v3, TLS, PPP, PPPoE, SSH, DHCP, SNMP, MQTT, Wake on LAN (WOL)
VLAN support	Yes
Reset button	Yes

Dynamic DNS (DDNS)	Yes
Processor frequency	1500 MHz
Web-based management	Yes
Number of simultaneous SIM cards	1
International Protection (IP) code	IP30
Internal memory	256 MB
SIM card slot	Yes
Built-in processor	Yes
Antennas quantity	4
SIM card type	MiniSIM
Product colour	Stainless steel
Network address translation (NAT)	Yes
DoS attack prevention	Yes
MAC address filtering	Yes
Short Message Service (SMS)	Yes
Mounting hardware type	DIN-rail/Wall mounting
Antenna connector type	SMA
Watch case material	Aluminium
Control panel	No
Product weight	241 g

Full product description

Teltonika TRB500

The **TRB500** is a compact and energy-efficient industrial gateway with a Gigabit Ethernet interface and two configurable I/O, enabling a high level of customization and multiple scenarios.

Ultra-high speed

The device enables **5G network speeds with** ultra-low latency for critical infrastructures and high data throughput, provided by 4 external antennas that allow 4x4 MIMO.

RutOS operating system

The **TRB500** is equipped with the RutOS operating system, which provides advanced security features and remote management system (RMS) compatibility to optimize remote management and monitoring capabilities for large fleets of devices.
