Tenda[®]

Manufacturer: TENDA

Referention number: DNXXGFPHRMMMJ

Product features

Regulatory Approvals	CE, FCC, RoHS
Storage relative humidity (H-H)	5 - 90%
Height	23 mm
Output voltage	5 V
LED indicators	Activity
Width	96 mm
Depth	66 mm
Storage temperature (T-T)	-40 to 70 °C
Rack mounting	No
Power consumption (typical)	2.5 W
Humidity measurement range	10 - 90%
Harmonized System (HS) code	85176990
Switching capacity	10 Gb/s
Quick start guide	Yes
Networking standards	IEEE 802.3ab
Switch type	Unmanaged
Full duplex	Yes
MAC address auto-learning supported	Yes
MAC address auto-aging supported	Yes
Auto MDI/MDI-X	Yes
Operating temperature (T-T)	0 - 40 °C
AC adapter included	Yes
Jumbo frames	15000

MAC address table	4000 entries
Output current	0.6 A
Power supply included	Yes
Power over Ethernet (PoE)	No
AC input frequency	50 Hz
AC input voltage	100 V
Gigabit Ethernet (copper) ports quantity	5
Maximum cable length	100 m
Cable types supported	Cat3
Store-and-forward	Yes
Copper ethernet cabling technology	1000BASE-T
Product colour	Black
Power connector	DC-in jack
Basic switching RJ-45 Ethernet ports type	Gigabit Ethernet (10/100/1000)
Basic switching RJ-45 Ethernet ports quantity	5
Stackable	No

Full product description

5-port Gigabit Ethernet switch

The Tenda SG105 is an inexpensive and efficient switch designed for smaller networks in businesses and households where high transmission speeds are required. It is ideal for connecting NAS servers, game consoles, multimedia TVs and computers. **The router has a total of 5 Gigabit ports with a switching speed of 10 GB/s**, so you can transfer large amounts of data without long waiting times. The switch automatically detects the type of cabling and the way of communication, and the modern design of the equipment is characterized by significantly reduced power consumption (maximum 2.5W), which translates into lower electricity bills. **The device fully supports IEEE 802.3, 802.3u, 802.3ab standards.**

Plug and Play, no configuration required

The Tenda SG105 is fully automated and does not require any configuration, the network is accessible by connecting an Ethernet cable in an instant. Whether you are a technology enthusiast or a novice user, the **Tenda switch is very easy and intuitive** to configure without time-consuming operations.

Stylish and exquisite design

The SG105 switch is designed for home use and is nice and compact, so it doesn't take up a lot of desk space. With a desk or wall mount design, the SG105 can be placed anywhere and will fit perfectly into any décor in your home.
