Information:

Extralink Smart Life S880 16" is a set of two portable monitors that significantly increase a laptop's workspace and improve comfort for work and entertainment. The IPS panel with a resolution of 1920 × 1200 and 100% sRGB coverage provides a sharp image, realistic colours and wide 178° viewing angles. The screens can be rotated by 360°, making it easy to adapt them to different uses, from office work and programming to graphics and multimedia. The lightweight, slim design, aluminium-ABS casing, carry bag, and USB-C power and image transmission make the set convenient to carry and use every day.

Full product description

Two additional monitors for greater productivity

Extralink Smart Life S880 16" is a set of two portable monitors that will easily expand your laptop's workspace. **IPS panel, 1920 × 1200 resolution** and wide **100% sRGB** colour coverage ensure high image quality, while the ability to **rotate 360°** provides full flexibility in use.

More space for work and entertainment

Thanks to **two additional screens**, you can work more comfortably while keeping several applications, documents or browser windows open at the same time. **Extralink Smart Life S880 16"** is ideal for office work, graphic editing, programming and everyday use, enabling better organisation of your workspace. The monitors can be connected to laptops with a **screen size from 12 to 18.5 inches**, making them suitable for a wide range of devices.

Wide viewing angles and natural colour reproduction

Thanks to the **IPS panel with full 100% sRGB coverage**, colours are realistic and accurately reproduced, which is especially important for people working with graphics, photos or video. **178° viewing angles** guarantee good image visibility regardless of the user's position. **LED backlighting** makes the screen readable even in brighter surroundings.

Obrotowy o 360° wyświetlacz z wieloma trybami

Mobility - a light and slim design

The monitors weigh **1.76 kg** and are only **2.82 cm thick**, making them easy to carry and suitable for both office use and travel. The aluminium and ABS plastic housing increases durability, and the transport bag included in the set makes storage easier. **One USB-C port** enables both image transmission and power supply, eliminating the need for additional cables.

Super-cienki i lekki design

Waga: **1.76kg** | Grubość: **2.82cm**

Versatility - monitors adapted to different needs

Extralink Smart Life S880 16" offers **360° screen rotation**, allowing it to be adapted to different usage scenarios. The adjustable stand provides stability and precise tilt adjustment.
