Price: **74.99 zł** gross / 60.97 zł net

Manufacturer: TOTOLINK

The Smartest Network Device

Referention number: DNXXFFMPSFRMMON

Product features

Storage relative humidity (H-H)	5 - 90%
Output voltage	5 V
Antenna type	External
LED indicators	System
Security algorithms	128-bit WEP
Storage temperature (T-T)	-40 - 70 °C
Cables included	LAN (RJ-45)
Humidity measurement range	5 - 90%
Data transfer rate	300 Mb/s
Quick start guide	Yes
Networking standards	IEEE 802.11b
Ethernet LAN (RJ-45) ports	1
Antenna gain level (max)	4 gain
Wi-Fi data rate (max)	300 Mbit/s
Plug and Play	Yes
Operating temperature (T-T)	0 - 40 °C
Cabling technology	10/100Base-T(X)
Reset button	Yes
Web-based management	Yes

WPS push button	Yes
Auto MDIX IEEE	Yes
Output current	1 A
Wi-Fi band	Single-band (2.4 GHz)
Wi-Fi standards	802.11b
Wi-Fi	Yes
Antennas quantity	2
Product colour	White
Host interface	RJ-45
Maximum transfer distance	30 m
DHCP client	Yes
DHCP server	Yes
Watch case material	Acrylonitrile butadiene styrene (ABS)
Type	Network transmitter & receiver

Full product description

TOTOLINK EX200 300 Mbps - wireless signal amplifier

Totolink EX200 is a 2.4 GHz wireless repeater. It is indispensable for anyone who needs **wireless network** access where the signal is too weak. Two high performance antennas offer up to 300 Mbps throughput. The **EX200 repeater** is an ideal solution to make the wireless network available in places where the range of the home router is limited.

Features:

- Compliant with 802.11 b/g/n standards
- Data transfer rate up to 300 Mbps

- Two external antennas for increased operational stability
- High-speed network connection via WPS button
- One Ethernet port to connect wired devices to the wireless network

Stable signal and increased Wi-Fi coverage

With two high-performance antennas, the EX200 provides Wi-Fi speeds of up to 300 Mbps, increasing **Wi-Fi range**.

One click - safe signal extension

Simply press the WPS button on both the EX200 and the wireless router to have a secure **home Wi-Fi** network established to extend the range of your existing WLAN.

Wi-Fi in every corner of your home and smartphone user interface

Totolink EX200 can extend your wireless network to cover every corner of your home and provide a reliable Internet connection for mobile devices and PCs. Moreover, the EX200 offers a friendly interface for all types of smartphones. Never before has it been so easy and fast to use, you only need three steps to **extend your Wi-Fi**.
