Full product description

4G LTE Cat6 router with WiFi AC1200 from Totolink

Totolink LR1200GB is a **4G LTE** wireless dual-band router that is compatible with the most advanced **802.11ac** standards and offers **WiFi** speeds of **up to 1200Mbps**. Have convenient 4G network access while sharing your **4G LTE** network with multiple Wi-Fi devices. All your Wi-Fi devices will instantly enter the 4G era with WiFi connectivity.

Key features of the Totolink LR1200GB

- Creates a simultaneous dual-band Wi-Fi network, with maximum speeds of up to 300Mbps on the 2.4GHz band and 867Mbps on the 5GHz band

- MU-MIMO support - simultaneous data streams increase WiFi throughput and network performance
- Compliant with IEEE 802.11ac/a/b/g/n standards
- Supports 4G Cat6 to increase data speeds up to 300Mbps
- 4 high-gain antennas
- Full gigabit ports offer greater data transfer capabilities over a wired connection.
- Supports LTE-FDD, LTE-TDD, WCDMA, GSM type networks
- No configuration required, just insert the SIM card and turn it on to enjoy a high-speed wireless connection
- Provides 64/128-bit WEP, WPA, WPA2 and WPA/WPA2 encryption
- Supports high standard 8KV/15KV ESD protection

Superfast 4G LTE speeds and simultaneous dual-band WI-FI

It supports **4G Cat6**, with **Carrier Aggregation** technology, **download speed up to 300Mbps and upload speed up to 50Mbps**. With the Totolink router, you will watch video without stuttering, outdoor live streaming will be smoother, and you can enjoy a high-quality 4G network in your home.

Design for maximum network coverage

Advanced LTE antennas ensure efficient and stable connections to any device. A power amplifier and low-noise booster enhance sending and receiving capabilities, creating a Wi-Fi network with wide coverage in your home.

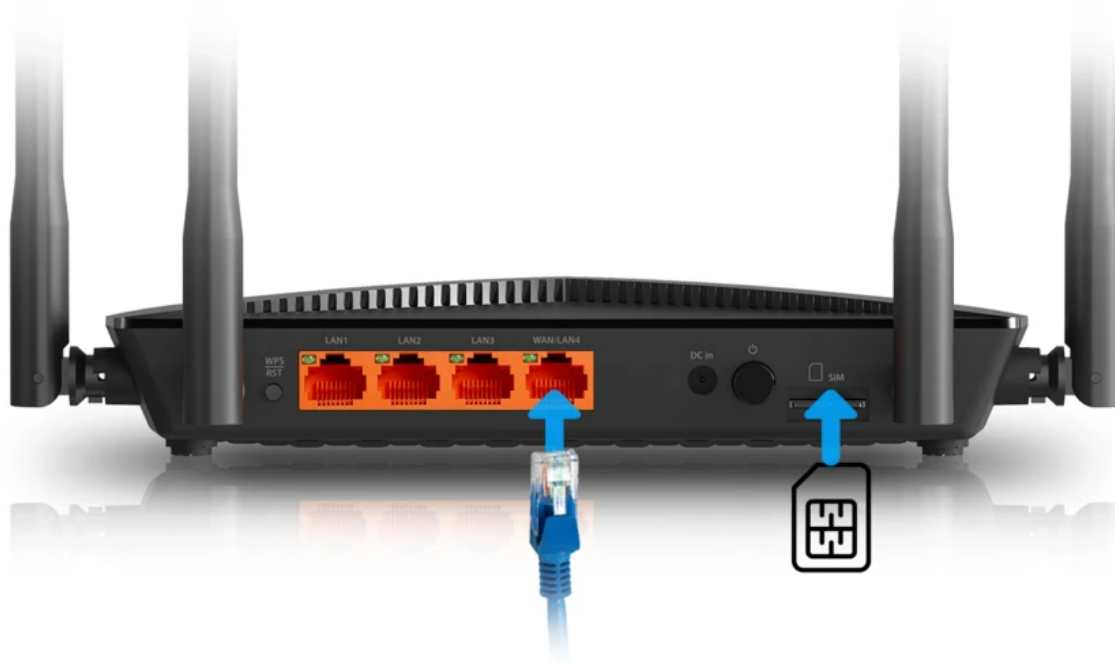

Connect wirelessly or wired

Get Internet access the easy way. **Insert your SIM card** into the Totolink router and connect to the Internet **wirelessly** or use an RJ45 cable and connect to the Internet via **a cable connection**.

Fully gigabit WAN and LAN ports

Equipped with full gigabit ports, the **LR1200B** offers greater data streaming capabilities over a wired connection. It takes full advantage of Internet bandwidth and is compatible with 100M/1000M network cards. Connect your computers, smart TVs and gaming consoles for a fast and reliable connection.

4 high-gain antennas

The **Totolink LR1200GB** is not only equipped with two Wi-Fi antennas, but also two external 4G antennas. The 4G signal is stronger and more stable.
