Full product description

TP-Link Archer T3U Mini

WI-FI 802.11ac support allows the Archer T3U to run 3 times faster than previous N standards. High-speed WI-FI(**up to 867 Mbps at 5 GHz and 400 Mbps at 2.4 GHz**) allows you to perform all the online tasks you need, including watching HD videos and playing online games.

Miniature design

The Archer T3U boasts a great design, the device is smaller than a classic USB adapter. Just plug it into any available USB connector.

Fast data transfer with USB 3.0

USB 3.0 transfers data at up to 4.8 GB/s - 10 times faster than USB 2.0. With **802.11ac Wi-Fi and USB 3.0**, the Archer T3U is perfect for HD video streaming, online gaming, and large file downloads.

Increased throughput

MU-MIMO technology allows the adapter to work in two simultaneous data streams, which provides higher performance and bandwidth throughout the network.

Prosta konfiguracja

Przyjazny w obsłudze interfejs na
płyce CD.

Zaawansowane zabezpieczenia sieci beprzewodowej

Szyfrowanie WPA/WPA2 zapewnia
bezpieczeństwo sieci.

Obsługiwane systemy operacyjne

Windows, Mac OS

Main features

- High-speed WI-FI - 802.11ac delivers speeds up to 1300 Mbps.
- Dual-band WI-FI - 2.4GHz and 5GHz.
- Mini size.
- USB 3.0 port - 10 times faster than USB 2.0.
- MU-MIMO - maximum wireless performance.
- Operating systems support - Windows 10 / 8.1 / 8/7 / XP, Mac OS X.
