Connector 2 form factor	Straight
Connector 1 form factor	Straight
Connector 2 gender	Male
Connector 1 gender	Male

Full product description

Even more power

Reach new standards in data transfer with lightning fast speeds of **up to 40 Gbps**. This USB Type-C cable not only enables fast charging, but also guarantees **smooth and uninterrupted transfer of large files**, videos or data. It's ideal for those who value performance and speed in any application.

Impressive power

The Extralink **USB-C to USB C** cable not only connects, but also surprises with its powerful **240W** power. With a length of **2 meters**, it is an extremely versatile cable. Support for **Quick Charge 3.0** technology allows you to quickly and efficiently charge not only your phone, but also larger devices like a laptop. **Fast data transfer** will no longer be a problem for you from now on.

EVEN FASTER DATA TRANSFER

Robust and durable construction

In addition to fascinating power, the Extralink cable has **a durable construction**. Adapted for long-term use, it will never let you down. The black color adds to its elegance, while **masking the traces of use**. It will meet the requirements of even the most demanding users.

Rubber protection

Nylon braid

2 meters of freedom and full compatibility

The long **2-meter** cable gives you the freedom to use your devices from a distance. Feel the flexibility and freedom with Extralink cable that eliminates all restrictions. **Built-in security** features ensure a high level of safety during use. The cable is compatible with all devices with a **USB-C** port.

**Charge and
use at the
same time**
