Price: **262.19 zł** gross / 213.16 zł net

Manufacturer: TP-LINK

Referention number: DNXGGHJLDRMLKQ

Product features

Height	19.7 mm
Output voltage	5 V
Width	94 mm
Depth	56.6 mm
Battery capacity	2000 mAh
Package weight	150 g
Package depth	95 mm
Package height	50 mm
Package width	135 mm
Output current	1 A
WLAN data transfer rates supported	300 Mb/s

Full product description

M7000 LTE Mobile Hotspot

The M7000 supports the latest generation **4G FDD/TDD-LTE** networks, providing convenient and portable WI-FI in most countries and regions. Now you can enjoy lag-free HD video, fast downloads, and stable calls no matter where you are.

Wi-Fi wszędzie, gdzie pójdziesz

Przenośny hotspot LTE
M7000

Easily share a wireless connection with up to 10 devices

This compact device works seamlessly with an impressive array of wireless gadgets. **The M7000** can easily share a 4G and 3G connection with up to 10 wireless devices.

Powerful 2000 mAH battery

Thanks to its powerful **2000 mAH** battery , the device can provide up to 8 hours of wireless connectivity. Portable HotSpot M7000 is an ideal companion on a business trip.

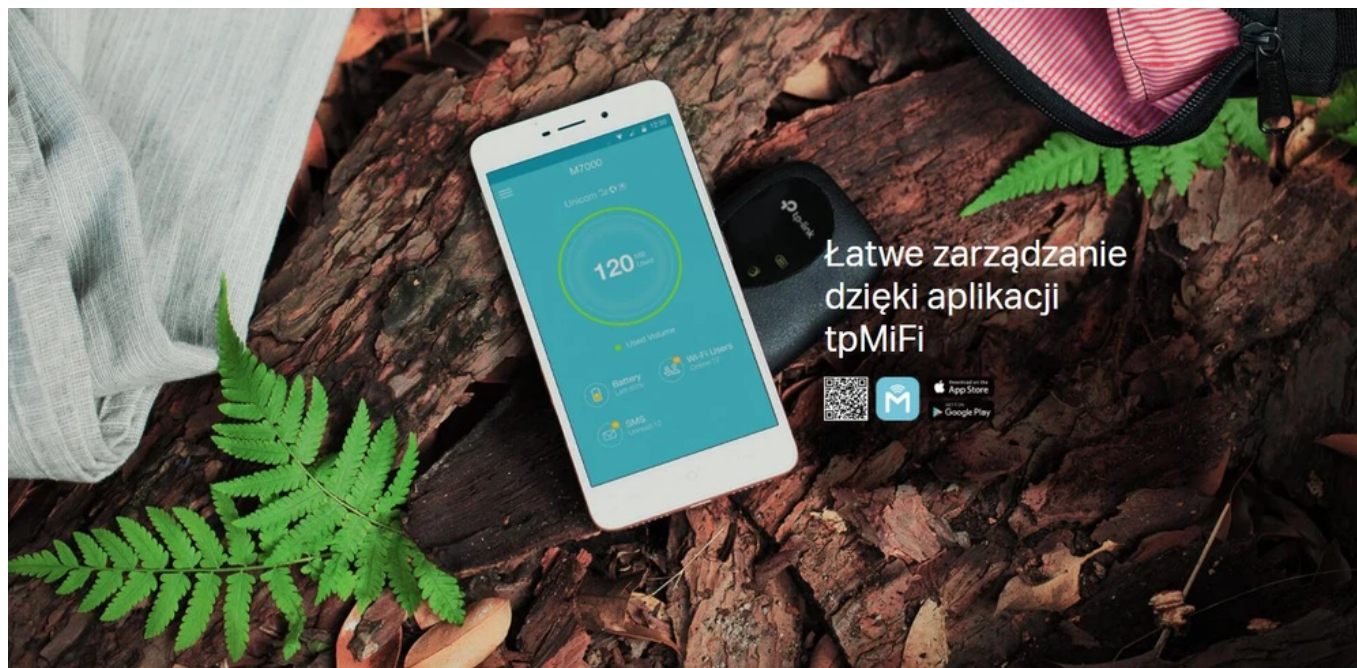

Get your network up and running in seconds

The M7000 has a compact and user-friendly design. Just insert the SIM card and press the power button, and your high-speed 4G HotSpot is up and running in half a minute.

Easy management by tpMiFi application

With the **tpMiFi** app, you can easily access the M7000 and manage your connected iOS/Android devices from it. Among other things, the tpMiFi app allows you to set data limits.

Special features

- Share internet access with friends for up to 10 devices at once.
- **The 2000 mAh battery lasts for up to 8 hours of use.**
- Supports latest generation 4G FDD/TDD-LTE.
- Easy management with the tpMiFi application.
