Durable construction

The bottle body is made of **lightweight PET material**, which is suitable for recycling. The caps and base covers made of stainless steel help protect the bottles and make everyday use easier.

ZESTAW 2 BUTELEK 1L

The image shows two identical 1L water bottles standing side-by-side on a light-colored wooden table. The bottles are made of clear plastic with a silver-colored stainless steel base and a matching silver-colored screw cap. They are filled with a clear, bubbly liquid, likely sparkling water. The background is a blurred indoor setting with a white teapot and a glass of water on the table.

Convenient for everyday use

Two bottles make it easy to take sparkling water to work, to training, or while carrying out everyday tasks. The drink can also be stored in the bottle in the fridge **for up to 24 hours** so that it is chilled before serving.

Drinks to your taste

The bottles allow you to prepare sparkling water to drink on its own or with added fruit and herbs. The set of two makes it easier to prepare drinks for household members and serve them while relaxing at home or outdoors.
