Full product description

USB adapter TP-Link UC400

The **TP-Link UC400** is a USB-C to USB-A adapter from a leading computer and telecommunications equipment manufacturer. With the **UC400**, you can easily connect devices with a USB-A connector to a laptop or mobile device that does not have a USB-A connector.

Easy to use thanks to OTG (On The Go)

With **On-The-Go** support, the **TP-Link UC400** adapter can be easily connected to a tablet or smartphone, and at the other end to a memory card reader or flash drive for data transfer. You can also easily connect a mouse, keyboard or other devices to your mobile device.

Works with any device

The versatility of the **TP-Link UC400 USB adapter** allows it to be used with any operating system and at maximum data transfer speeds.
