Price: **73.14 zł** gross / 59.46 zł net

Manufacturer: TP-LINK

Referention number: DNXXGGHJOFRMLPI

### Product features

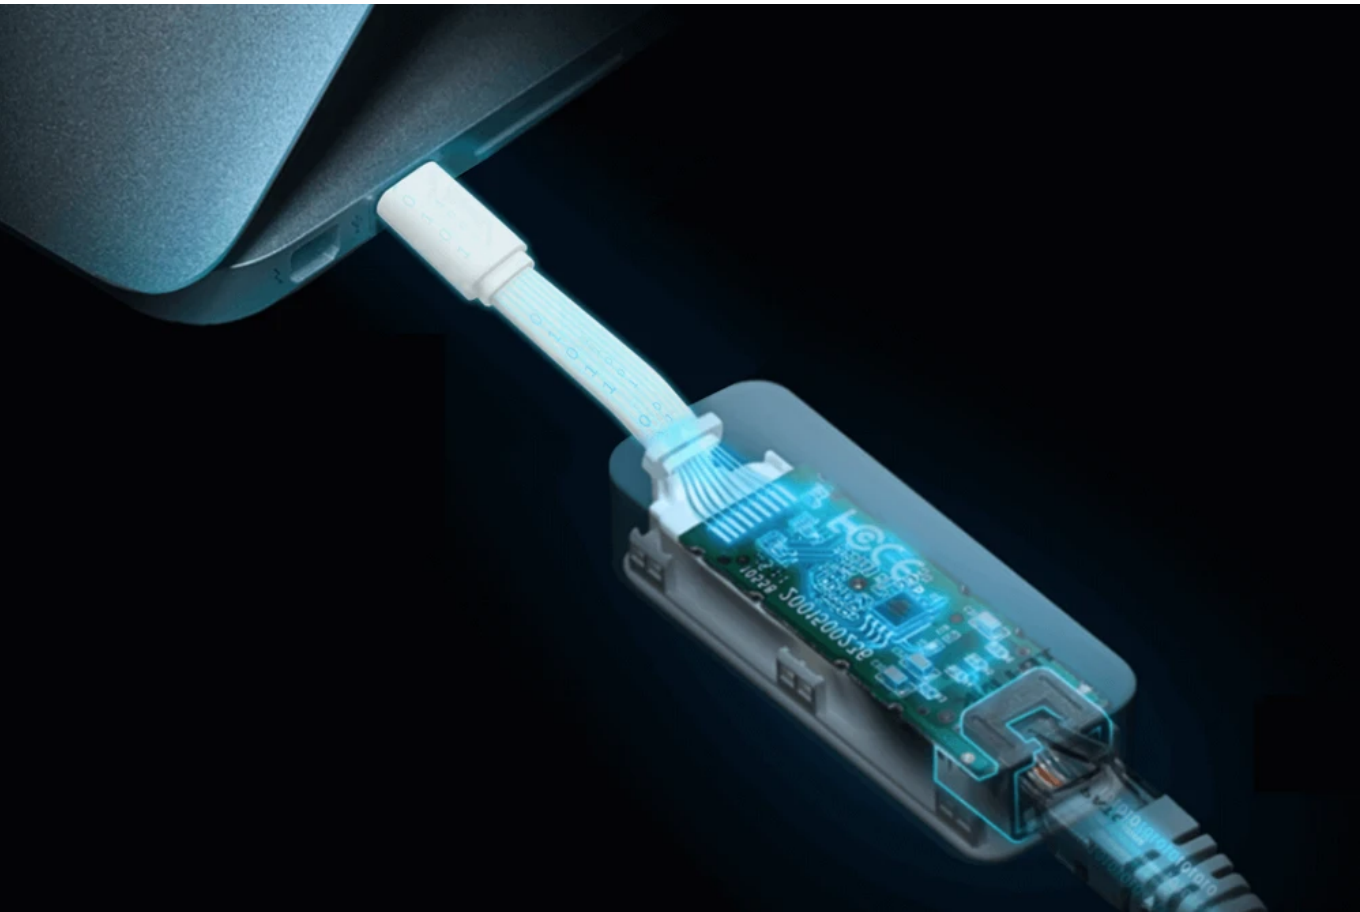

|                                   |                  |
|-----------------------------------|------------------|
| Height                            | 16.2 mm          |
| LED indicators                    | Yes              |
| Width                             | 71 mm            |
| Depth                             | 26 mm            |
| Connectivity technology           | Wired            |
| Chipset                           | Realtek RTL8153  |
| USB ports quantity                | 1                |
| Maximum data transfer rate        | 1000 Mb/s        |
| Package weight                    | 50 g             |
| Interface                         | Ethernet         |
| USB powered                       | Yes              |
| Harmonized System (HS) code       | 85176990         |
| Ethernet LAN (RJ-45) ports        | 1                |
| Plug and Play                     | Yes              |
| Quick installation guide          | Yes              |
| Package depth                     | 85 mm            |
| Package height                    | 18 mm            |
| Package width                     | 183 mm           |
| Ethernet interface type           | Gigabit Ethernet |
| USB connector form factor         | Straight         |
| Ethernet LAN                      | Yes              |
| Linux operating systems supported | Yes              |

|                                     |                         |
|-------------------------------------|-------------------------|
| Mac operating systems supported     | Mac OS X 10.10 Yosemite |
| Windows operating systems supported | Windows 10              |
| USB version                         | 3.2 Gen 1 (3.1 Gen 1)   |
| Product colour                      | White                   |
| Other operating systems supported   | ChromeOS                |
| Host interface                      | USB                     |
| Internal                            | No                      |
| Designation                         | PC                      |
| Product weight                      | 20 g                    |

Full product description

Gigabit network card TP-Link UE300C

**TP-Link UE300C** is the ideal solution for wired Internet access for devices with **USB-C ports**. This adapter fits most modern devices for instant network access. For faster and more stable performance, connect the UE300C to a **USB 3.0 port** and then network speeds can reach up to **1000Mbps**, allowing for large file transfers, video streaming, fast gaming response and more.

Easy to use with Plug

Ease of use is that the TP-Link UE300C is compact in **size and weight**. Connecting and to the device is quick, with no manual driver installation required. In addition, a large number of modern operating systems are supported, and an intuitive **LED indicator shows the connection status**.

## Main advantages

- Great for connecting laptops, tablets and other USB Type-C devices to a wired network
- High-speed USB 3.0/Gigabit Ethernet solution delivers up to 1 Gbps throughput
- Plug and Play support for Windows 10, Mac OS X (10.9 and later), Chrome OS and Linux OS
- Foldable, portable design is ideal for Ultrabook laptops
