

Ubiquiti AF-5 | Radioline | AirFiber, 5GHz, GPS, 1x RJ45 1000Mb/s

link to the product:

<https://www.batna24.com/gb/p/radio-lines/ubiquiti-af-5-radioline-airfiber-5ghz-gps-1x-rj45-1000mb-s>

Price: **4,137.03 zł** gross / 3,363.44 zł net

Manufacturer: UBIQUITI

Referention number: DNXFISKDMK

Product features

Height	938.4 mm
Modulation	1024-QAM
Width	468.4 mm
Depth	281.4 mm
Security algorithms	128-bit AES
Input current	1.2 A
Maximum data transfer rate	1000 Mb/s
Harmonized System (HS) code	85176990
Operating temperature (T-T)	-40 - 55 °C
Frequency band	5 GHz
Web-based management	Yes
Maximum outdoor range	100000 m
Power over Ethernet (PoE)	Yes
AC input voltage	50 V
Internal	No
5 GHz	Yes
Product weight	16000 g

Full product description

AF-5 AirFiber - innovative antenna design

The highly isolated, two-antenna design is ideal for robust performance - even in the harshest radio interference conditions.

Revolutionary performance

AirFiber®5 outperforms traditional wired network connections and provides actual throughput up to **1.2+ Gbps**.

Long-distance connections 100+ km

Designed as a high-performance connection system, the airFiber®5 is suitable for a range of more than **100 km**.

Low delay in sending and receiving data

AirFiber®5 supports **FDD** (Frequency Division Duplexing) in full-duplex mode for **<1 ms**, delay, resulting in increased performance for carrier-class link networks.

Unlicensed 5 GHz band

AirFiber®5 operates in licensed **5 GHz** frequencies worldwide. Users can deploy airFiber5 almost anywhere they want.
