Price: **4,137.03 zł** gross / 3,363.44 zł net

Manufacturer: UBIQUITI

Referention number: DNXEHIPUEKQL

Product features

Regulatory Approvals	CE, FCC, IC
Height	281.4 mm
Antenna type	Sector antenna
Modulation	1024-QAM
Width	938.4 mm
Depth	468.4 mm
Power management	42-58VDC
Compliance certificates	RoHS
Harmonized System (HS) code	85177100
Antenna gain level (max)	23 gain
Operating temperature (T-T)	-40 - 55 °C
Frequency band	5 GHz
Mounting	Wall
Product colour	White
Designation	Outdoor
Product weight	16000 g

Full product description

Innovative antenna design

The highly isolated two-antenna design is ideal for robust performance in the harshest radio interference conditions.

Revolutionary performance

AirFiber®5 outperforms traditional wired links, providing actual throughput up to **1.2+ Gbps**.

Long-distance connections 100+ km

Designed as a high-performance link system, airFiber®5 works over **100 km**.

Data transmission with low latency

AirFiber®5 supports **FDD** (Frequency Division Duplexing) in full-duplex mode for **< 1 ms** delay, resulting in increased performance for carrier-grade connectivity networks.

Unlicensed 5 GHz band

AirFiber®5 operates in licensed **5 GHz** frequencies worldwide. Users can deploy airFiber5 almost anywhere they want.
